The parties in this matter agree to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Respondent Marilyn L. Kuhrt (dob 2/15/55) was at all times relevant to this proceeding duly licensed under the provisions of Chapter 450, Wis. Stats., to practice as a registered pharmacist in the State of Wisconsin, under license number 9781, first granted on 6/6/80.

2. On or about 12/1/93, respondent was arrested for operating a motor vehicle while influenced by an intoxicant. A breath test showed that she had a BAC of 0.14% by weight. On or about 10/25/95, respondent was again arrested for the same offense, and a breath test showed that she had a BAC of 0.159% by weight. On 1/10-16/98, at the instance of the Board, respondent was evaluated and was diagnosed as alcohol dependent by competent practitioners, and has entered treatment. During all of the years 1995-98, respondent has been regularly engaged in the full time practice of pharmacy, but was not in treatment until January 16, 1998. At all times, respondent fully cooperated with the Board's investigation of this matter.

CONCLUSIONS OF LAW

A. The Wisconsin Pharmacy Examining Board has jurisdiction over this matter and authority to take disciplinary action against the Respondent pursuant to §450.10(1), Wis. Stats. and ch. Phar 10, Wis. Adm. Code .

B. The Wisconsin Pharmacy Examining Board is authorized to enter into the attached Stipulation pursuant to §227.44(5), Wis. Stats.

C. The facts set forth in ¶2, above, constitute unprofessional conduct pursuant to §450.10(1)(a)(3), Wis. Stats.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED:

That the STIPULATION of the parties, attached hereto, is ACCEPTED.

IT IS FURTHER ORDERED that effective on the date of this Order, the pharmacist license of respondent is SUSPENDED for a period of not less than five (5) years. The Board in its discretion may restore respondent's license to full, unlimited status only upon petition by respondent after completion of five years of practice of pharmacy in compliance with all terms and conditions of this Order, and a demonstration that respondent may practice pharmacy without condition or limitation with skill and safety to patient and public.

1. STAY OF SUSPENSION. The suspension is STAYED for a period of three months, conditioned upon compliance with the conditions and limitations outlined in paragraph 2., below.

a. Respondent may apply for consecutive three (3) month extensions of the stay of suspension, which shall be granted upon acceptable demonstration of compliance with the conditions and limitations imposed on the respondent for rehabilitation and practice during the prior three (3) month period. "Three months" means until the third regular Board meeting after the meeting at which any stay of suspension is granted.

b. The Board may without hearing deny an application for extension of the stay, or commence other appropriate action, upon receipt of information that respondent has violated any of the terms or conditions of this Order. If the Board denies the petition by the respondent for an extension, the Board shall afford an opportunity for hearing in accordance with the procedures set forth in ch. RL 1, Wis. Adm. Code upon timely receipt of a request for hearing.

c. Upon a showing by respondent of successful compliance for a period of five years with the terms of paragraph 2., below, and upon a showing that respondent has made satisfactory restitution for any losses caused by the conduct described above and compliance with all other terms of this Order, the Board may grant a petition by the Respondent for return of full licensure.

d. The applications for extension under 1.a. and all required reports under 2.a-c. shall be due on each and every May 1st, and each three months thereafter, for the period that this Order remains in effect.

e. Respondent shall forthwith surrender all indicia of licensure to the Department by mail or in person, and the Department shall then issue limited licensure credentials to respondent. Respondent shall also surrender all indicia of licensure to any agent of the Department who requests them.

2. CONDITIONS OF STAY AND LIMITATIONS. The initial stay of suspension and any subsequent stay shall be conditioned upon the following terms and limitations:

a. Non-Prescription Use of Drugs and Alcohol Prohibited. Respondent shall remain free of alcohol, prescription drugs and controlled substances not prescribed by a practitioner for legitimate medical purposes. Respondent shall have her physician report in writing to the supervising physician or therapist under paragraph 2.b.(1) all medications prescribed to the respondent within 3 days of such prescribing. Respondent shall in addition refrain from the consumption of over-the-counter medications or other substances which may mask consumption of controlled substances or of alcohol, or which may create false positive screening results, or which may interfere with respondent's treatment and rehabilitation.

b. Rehabilitation, Monitoring and Treatment Program. Respondent shall continue to participate in a rehabilitation, monitoring and treatment program acceptable to the Board for the treatment of chemical abuse and dependency. Such program shall consist of the following elements and requirements:

(1) AODA Rehabilitation. Respondent shall continue to participate in an AODA rehabilitation program under the care and supervision of a qualified physician or therapist (hereinafter, "supervising physician or therapist"), at an accredited drug and alcohol abuse/dependency treatment facility. Respondent shall obtain from the Pharmacy Examining Board prior approval of the drug and alcohol abuse/dependency treatment facility and the supervising physician or therapist. The supervising physician or therapist shall be responsible for the Respondent's total rehabilitation program. Respondent shall immediately provide a copy of this order to her supervising physician or therapist. Respondent shall participate in and comply with all recommendations for treatment, subject to the requirements of this order.

(2) Individual/Group Therapy. The rehabilitation program shall include and respondent shall participate in individual and/or group therapy sessions for the first year of the stayed suspension upon a schedule as recommended by the supervising physician or therapist, but not less than once weekly. Such therapy shall be conducted by the supervising physician or therapist, or another qualified physician or therapist as designated by the supervising physician or therapist and acceptable to the Board. After the first year of stayed suspension, this requirement for therapy sessions may be modified only upon written petition, and a written recommendation by the supervising physician or therapist expressly supporting the modifications sought. A denial of such petition for modification shall not be deemed a denial of the license under §§ 227.01(3) or 227.42, Wis. Stats., or ch. RL 1, Wis. Adm. Code, and shall not be subject to any right to further hearing or appeal.

(3) AA/NA Meetings. Respondent shall attend Alcoholic Anonymous meetings or an equivalent program for recovering professionals, upon a frequency as recommended by the supervising physician or therapist, but not less than one meeting per week. Attendance of Respondent at such meetings shall be verified and reported monthly to the supervising physician or therapist.

(4) Drug Screening. Respondent's rehabilitation program shall include and Respondent shall participate in a program of random, witnessed collection of breath, hair, urine and/or blood specimens for monitoring for the presence of the following substances and their metabolites: tetrahydrocannabinols, alcohol, amphetamines, cocaine, opiates, and benzodiazepines, and on a frequency of not less than:

(a) Eight times per month for the first year following the date respondent resumes practicing pharmacy, or once per week if not practicing pharmacy.

(b) Six times per month for the second year following respondent's resumption of practice.

(c) Four times per month for the third through fifth years following resumption of practice.

All urine screens shall include testing and reporting of the specific gravity of the urine specimen, and shall be conducted by a NIDA-certified facility.

The random drug and alcohol screening program shall include all hours of the day and evenings, and include weekends and holidays, for collection of specimens. Failure of the drug and alcohol screening program to be conducted on a random basis shall be deemed a violation of this Order and may result in denial of extension of Stay of Suspension, disapproval of the monitoring facility or program, or other action as deemed appropriate by the Board.

Respondent shall appear and provide a specimen not later than 5 hours following a request for a specimen. If requested in person to give a breath sample, she shall do so forthwith.

If the physician or therapist supervising the Respondent's plan of care, Respondent's employer, the Pharmacy Examining Board or the Department of Regulation and Licensing, Division of Enforcement deems that additional blood or urine screens are warranted, respondent shall submit to such additional screens as requested or recommended. The supervising physician or therapist shall exceed the above stated minimum frequency for obtaining drug and alcohol screens to prevent ability of respondent to predict that no further screens will be required for a given period because the minimum frequency for that period has been met.

Respondent is responsible for obtaining a monitoring facility and reporting system acceptable to the Board. Respondent shall immediately provide a copy of this Order to the monitoring facility conducting the collection of specimen and/or chemical analyses upon specimens for the random witnessed drug and alcohol screening program.

To be an acceptable program, the monitoring facility and supervising physician and therapist shall agree to provide random and gatherings of specimens for analysis for the specified substances and alcohol under NIDA collection guidelines. Any specimen that yields a positive result for any controlled substance or alcohol shall be immediately subjected to a gas chromatography-mass spectrometry (hereinafter, "GC-MS") test to confirm the initial positive screen results. The monitoring facility and supervising physician and therapist shall agree to immediately file a written report directly with the Pharmacy Examining Board, the supervising physician or therapist, and the respondent's supervising pharmacist upon any of the following occurrences: if the respondent fails to appear for collection of a specimen as requested; or if a drug or alcohol screen and confirmatory GC-MS test prove positive; or if the specific gravity of a urine specimen is below 1.008; or if respondent refuses to give a specimen for analysis upon a request authorized under the terms of this Order. Respondent shall arrange for quarterly reports from the monitoring facility directly to the Board and to Respondent's supervising physician

or therapist providing the dates and results of specimen analyses performed. Such reports shall be due on dates specified in paragraph 1.d. above.

The monitoring facility shall further agree to keep a record of the custody of all specimens collected and subjected to analysis. The facility shall further agree to preserve any specimens which yielded positive results for any controlled substance or alcohol, or specific gravity below 1.008, pending further written direction from the Board (not to exceed one year).

Respondent understands and agrees that the accuracy of the monitoring facility obtained is respondent's responsibility. For purposes of further board action under this order, it is rebuttably presumed that all confirmed positive reports are valid. Respondent has the burden of proof to establish by a preponderance of the evidence an error in testing or fault in the chain of custody regarding a positive monitoring report.

If a breath test is received and analyzed properly by any person deemed qualified to administer breath tests by the Wisconsin Department of Transportation, and on a device approved by the Department (or by the US Department of Transportation), the results shall be presumed correct.

(5) Quarterly Reports. Respondent shall arrange for quarterly reports from her supervising physician or therapist directly to the Board evaluating and reporting:

- (a) A summary of Respondent's progress in her rehabilitation program to date, and all recommendations for continuing rehabilitation treatment,
- (b) Respondent's attendance in NA/AA meetings,
- (c) Respondent's participation in and results of her random witnessed urine and/or blood screening program.

Such quarterly reports shall be due on the dates specified under paragraph 1.d. of this Order.

(6) Immediate Reports. Respondent shall arrange for agreement by her supervising physician or therapist, and her professional employees (including auxiliary employees regularly employed in the professional area), to report immediately to the Board any conduct or condition of respondent that may constitute a danger to the public in her practice of pharmacy, and any occurrence that constitutes a failure on the part of respondent to comply with the requirements of this Order or treatment recommendations by the supervising physician or therapist, including any indications of consumption of alcohol or unauthorized use of any controlled substances, failure to appear for a urine or blood screening, notice of any positive blood and/or urine screen for alcohol or controlled substances, and any urine specimen that is below a specific gravity of 1.008.

c. Practice of Pharmacy: Limitations and Conditions. Any practice of Pharmacy by respondent during the pendency of this Order shall be subject to the following terms and conditions:

(1) Full Compliance with Order Required. Respondent shall not practice as a pharmacist in any capacity unless she is in full compliance with the rehabilitation and treatment programs as specified and approved under this Order.

(2) No Managing Pharmacist. Respondent shall not be employed as or work in the capacity of a "managing pharmacist" as defined in § Phar 1.02(6), Wis. Adm. Code, other than in her own pharmacy, HMM Inc., d/b/a Service Drugs.

(3) Provision of Copy of Order to Employers and others. Respondent shall provide any employer and any prospective employers with a copy of this Stipulation and Final Decision and Order immediately upon issuance of this Order, and upon any change in employment. She shall also furnish a copy to any registered pharmacist whom she employs, and to any auxiliary person regularly employed in the professional area of her pharmacy. She shall request that all such persons report any suspected violation of this Order to the Department Monitor, immediately. No such person may have any action taken against him or her by respondent in consequence of any such report made in good faith, and good faith shall be presumed.

(4) Immediate Reports. Respondent shall arrange for agreement by her employees regularly employed in the professional area of her pharmacy to immediately report to the Board and to the supervising physician or therapist any conduct or condition of Respondent that may constitute a violation of this Order or a danger to the public.

d. Consents for Release of Information. Respondent shall provide and keep on file with her supervising physician/therapist and all treatment facilities and personnel current releases which comply with state and federal laws, authorizing release of all her medical and drug and alcohol counseling, treatment and monitoring records to the Pharmacy Examining Board and the Department of Regulation and Licensing, Division of Enforcement, and permitting her supervising physician/therapist and treating physicians and therapists to disclose and discuss the progress of her treatment and rehabilitation and all matters relating thereto with the Pharmacy Examining Board or its duly authorized representatives or agents. Copies of these releases shall be filed simultaneously with the Pharmacy Examining Board and the Division of Enforcement. Respondent shall also provide and keep on file with her current employer(s) current releases authorizing release of all employment records and reports regarding Respondent to the Pharmacy Examining Board and the Division of Enforcement, and authorizing her employer to discuss with the Board or its authorized agents and representatives Respondents employment history, progress and status and all matters relating thereto. Copies of these employment records releases shall be filed simultaneously with the Board and the Division of Enforcement.

e. Notification of Change of Address and Employment. The Respondent shall report to the Board any change of employment status, residence address or phone number within five (5) days of any such change.

3. COSTS AND RESTITUTION. Respondent shall pay COSTS of this investigation under §440.22, Wis. Stats. in the amount of the cost to the Board of her evaluation by Professional Recovery Network, Rogers Memorial Hospital, and their consultants, during her stay of January 10-16, 1998. Such payments shall be made either to the billing providers or to the Department of Regulation and Licensing, before she next renews her licensure.

4. PHARMACY OWNERSHIP LIMITED. Respondent shall not own in whole or in part any interest in a pharmacy during the period of time this Order remains in effect, other than her present ownership interest in HMM Inc, d/b/a Service Drugs.

5. TERMS FOR MODIFICATION OF ORDER. Following successful compliance with and fulfillment of the provisions of paragraph 2. of this Order for a period of two years, the Respondent may petition the Board, in conjunction with an application for extension of the stay of suspension, for modification of the conditions or limitations for stay of suspension. Any such petition shall be accompanied by a written recommendation of respondent's supervising physician or therapist expressly supporting the specific modifications sought. A denial of such a petition for modification shall not be deemed a denial of license under §§227.01(3), or 227.42, Wis. Stats., or Ch. RL 1, Wis. Adm. Code, and shall not be subject to any right to further hearing or appeal.

6. RESPONDENT RESPONSIBLE FOR COSTS AND EXPENSES OF COMPLIANCE. Respondent shall be responsible for all costs and expenses of complying with this Order and for arranging any alternative means for covering such costs and expenses.

7. BOARD/DEPARTMENT INSPECTIONS. The Board or the Department in its discretion may conduct unannounced inspections and/or audits, and make copies, of pharmacy records and inventory where respondent practices as a pharmacist.

8. VIOLATIONS OF ORDER. Violation of any of the terms of this Order or of any law substantially relating to the practice of pharmacy may result in a summary suspension of the Respondent's license; the denial of an extension of the stay of suspension or the termination of the stay; the imposition of additional conditions and limitations; or the imposition of other additional discipline, including revocation of license.

9. EFFECTIVE DATE. This Order shall become effective immediately upon issuance by the Pharmacy Examining Board, except for provision 2.a., which is effective the date of signing by respondent.

NOTICE OF RIGHTS OF APPEAL

TO: KEVIN S THOMPSON ATTY

You have been issued a Final Decision and Order. For purposes of service the date of mailing of this Final Decision and Order is 4/17/98. Your rights to request a rehearing and/or judicial review are summarized below and set forth fully in the statutes reprinted on the reverse side.

A. REHEARING.

Any person aggrieved by this order may file a written petition for rehearing within 20 days after service of this order, as provided in section 227.49 of the Wisconsin Statutes. The 20 day period commences on the day of personal service or the date of mailing of this decision. The date of mailing of this Final Decision is shown above.

A petition for rehearing should name as respondent and be filed with the party identified below.

A petition for rehearing shall specify in detail the grounds for relief sought and supporting authorities. Rehearing will be granted only on the basis of some material error of law, material error of fact, or new evidence sufficiently strong to reverse or modify the Order which could not have been previously discovered by due diligence. The agency may order a rehearing or enter an order disposing of the petition without a hearing. If the agency does not enter an order disposing of the petition within 30 days of the filing of the petition, the petition shall be deemed to have been denied at the end of the 30 day period.

A petition for rehearing is not a prerequisite for judicial review.

B. JUDICIAL REVIEW.

Any person aggrieved by this decision may petition for judicial review as specified in section 227.53, Wisconsin Statutes (copy on reverse side). The petition for judicial review must be filed in circuit court where the petitioner resides, except if the petitioner is a non-resident of the state, the proceedings shall be in the circuit court for Dane County. The petition should name as the respondent the Department, Board, Examining Board, or Affiliated Credentialing Board which issued the Final Decision and Order. A copy of the petition for judicial review must also be served upon the respondent at the address listed below.

A petition for judicial review must be served personally or by certified mail on the respondent and filed with the court within 30 days after service of the Final Decision and Order if there is no petition for rehearing, or within 30 days after service of the order finally disposing of a petition for rehearing, or within 30 days after the final disposition by operation of law of any petition for rehearing. Courts have held that the right to judicial review of administrative agency decisions is dependent upon strict compliance with the requirements of sec. 227.53 (1) (a), Stats. This statute requires, among other things, that a petition for review be served upon the agency and be filed with the clerk of the circuit court within the applicable thirty day period.

The 30 day period for serving and filing a petition for judicial review commences on the day after personal service or mailing of the Final Decision and Order by the agency, or, if a petition for rehearing has been timely filed, the day after personal service or mailing of a final decision or disposition by the agency of the petition for rehearing, or the day after the final disposition by operation of the law of a petition for rehearing. The date of mailing of this Final Decision and Order is shown above.

The petition shall state the nature of the petitioner's interest, the facts showing that the petitioner is a person aggrieved by the decision, and the grounds specified in section 227.57, Wisconsin Statutes, upon which the petitioner contends that the decision should be reversed or modified. The petition shall be entitled in the name of the person serving it as Petitioner and the Respondent as described below:
