Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscqa>.

On January 31, 2007, the State of Wisconsin Dental Examining Board reviewed a petition by Blair D. Moldenhauer for reinstatement of a three month stay of suspension as provided within the board's Final Decision and Order dated January 1, 2002. On January 12, 2006, Mr. Moldenhauer's stay of his original suspension was revoked because of a violation of the underlying Order. On January 31, 2007, Mr. Moldenhauer appeared before the board to present testimony in support of his petition for a reinstatement of the stay of suspension. Based upon the board's review and consideration of the petition and Mr. Moldenhauer's testimony, the board finds that it is not in the best interest of the public health and safety to grant Mr. Moldenhauer a stay of his suspension. Based upon review by the board:

IT IS HEREBY ORDERED that Blair D. Moldenhauer, is denied a three-month stay of the suspension of his license to practice dentistry in the State of Wisconsin.

Dated: March 7, 2007.

William R. Skarie, Chair
Wisconsin Dental Examining Board
