### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscqa>.
- Records not open to public inspection by statute are not contained on this website.

4. On or about February 22, 2006, an auditor with the Department of Regulation and Licensing audited

Respondents' real estate trust account bookkeeping records. During the audit the auditor discovered the real estate trust account had inadequate funds on the following dates:

6. No account validation was being performed.

7. Mr. Ewing acknowledged the auditor's findings. Mr. Ewing explained that he had experienced difficulties maintaining a positive balance in one owner's account and that he had occasionally used funds from other accounts to cover necessary expenses for the one delinquent account.

8. The Department requested that Mr. Ewing supply the Department with its March 2006 financial statement for the Mac Ewen Management Inc. real estate trust account. The Financial statement showed that the trust account was in compliance with the trust account bookkeeping rules.
