### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscqa>.
- Records not open to public inspection by statute are not contained on this website.

PROCEDURAL HISTORY

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Wisconsin Architect Section (Section). The Section has reviewed this Stipulation and considers it acceptable.

Accordingly, the Section in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Kenneth R. Stock ("Respondent"), whose date of birth is December 21, 1948, was issued a registration as an Architect in the State of Wisconsin on March 30, 1976, having registration number 5-4114.
2. Respondent's last reported address on file with the Department of Regulation and Licensing is S14W32155 Boys School Road, Delafield, WI 53018.
3. Respondent's Architect registration expired on July 31, 1996.

4. Respondent now seeks reinstatement of his Architect registration, pursuant to Wis. Admin. Code § A-E 2.05(2).

5. Respondent contends that he did not become aware that his Architect credential was expired until August 3, 2007, when he contacted NCEES about his reciprocal registration in Virginia and was told that his Wisconsin registration had lapsed. Respondent then checked the Department of Regulation and Licensing website and saw that his registration was listed as “expired.” On or about August 6, 2007, Respondent submitted an Application for Credential Reinstatement along with payment for the \$60.00 renewal fee and \$25.00 late fee.

6. Respondent’s application for credential reinstatement was referred to the Division of Enforcement to address the fact that Respondent had engaged in the practice of architecture since the expiration of his Architect registration on July 31, 1996.

7. Respondent contends that his previous bookkeeper failed to submit his renewal payment in 1996.

8. The Department’s practice and procedures relating to credential renewal is that a renewal notice is mailed to the licensee prior to the credential expiration at the last known address on file with the Department. If a licensee fails to renew his or her credential, the Department does not submit any further renewal notices to the licensee.

9. Respondent acknowledges that it is his responsibility, and his alone, to keep his registration current under Wis. Stat. § 440.08(1).

10. From July 31, 1996 until August 3, 2007, when Respondent discovered that his Architect registration was in expired status, Respondent held himself out as an architect in Wisconsin and engaged in the practice of architecture in Wisconsin.

11. The Section has reviewed Respondent’s application for reinstatement of his Architect registration and has determined that Respondent meets the requirements of Wis. Admin. Code § A-E 2.05(2)(a) and is competent to practice Architecture in Wisconsin.

#### CONCLUSIONS OF LAW

1. The State of Wisconsin Architect Section of the Examining Board of Architects, Landscape Architects, Professional Engineers, Designers and Land Surveyors has jurisdiction to act in this matter and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 443.02(1) – (3), Wis. Admin. Code § A-E 2.05(2)(b) and Wis. Stat. § 227.44(5).

2. Respondent’s practice of architecture while his registration has been expired is a violation of Wis. Stat. § 443.02(2), which prohibits a person from practicing architecture in Wisconsin unless the person is duly registered.

3. By holding himself out as an architect while his registration has been expired, Respondent has violated Wis. Stat. § 443.02(3) which prohibits a person from offering to practice architecture, advertising as an architect, or using any title or description tending to convey the impression that he or she is an architect unless the person is duly registered.
