- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." John P. Murphy, D.C., (Respondent) was reprimanded and had limitations place on his license by the Wisconsin Chiropractic Examining Board (Board), by order dated October 16, 2003. By letter dated September 11, 2008, the Respondent asked the Board to reinstate his license to full status and submitted information in support of that request. The Board reviewed the information at its October 16, 2008, meeting and issued an Order denying reinstatement because the information submitted did not show that the Respondent had complied with the October 2003 Order. Subsequent to the October 16, 2008, meeting the Respondent submitted additional information to the Board in support of his assertion that he had complied with the October 2003 Order. After review of the information the Board determined that the new information submitted also did not show that the Respondent had complied with the October 2003 Order.

THEREFORE IT IS HEREBY ORDERED that the Respondent's request for the reinstatement of full licensure is denied.

Dated this 26th day of November, 2008.
