All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." 4. A review of the appraisal report shows violations of the applicable Uniform Standards of Professional Appraisal Practice (USPAP) including, but not limited to, the following:

a. USPAP Standards Rule 1-1 (a), which requires appraisers to, “be aware of, understand, and correctly employ those recognized methods and techniques that are necessary to produce a credible appraisal,” by failing to utilize the most similar comparable sales available in when considering the age, design and appeal of the subject property.

b. USPAP Standards Rule 1-1 (b), which requires appraisers to, “not commit a substantial error or omission or commission that significantly affects an appraisal,” by failing to make appropriate adjustments when employing the sales comparison approach to valuation based upon the actual age of the subject property.

c. USPAP Standards Rule 1-2 (e), which requires appraisers to, “identify the characteristics of the property that are relevant to the purpose and intended use of the appraisal, including: (i) its location and physical, legal and economic attributes;” by reporting that the age of the subject property was 15 years, when, in fact, it was 29 years old at the time of the appraisal.

d. USPAP Standards Rule 1-5 (b), which requires appraisers to, “analyze all sales of the subject property that occurred within the three (3) years prior to the effective date of the appraisal,” by failing to adequately analyze the difference between the appraised value of \$153,500 with an effective date of April 29, 2005, and the last sales price of \$97,000 on November 29, 2004, six months earlier.

5. Per Wis. Stat. § 458.26 (3), “... the board may limit, suspend or revoke any certificate under this chapter... if the... board finds that the... holder of the certificate has done any of the following: (b) Engaged in unprofessional... conduct in violation of rules promulgated under s. 458.24.”

6. Per Wis. Admin. Code § RL 86.01 (2), “All appraisals performed in conjunction with federally related transactions and non-federally related transactions shall conform to the uniform standards of professional appraisal practice set forth in Appendix I.”

2. The Wisconsin Real Estate Appraisers Board has authority to enter into this stipulated resolution of this matter pursuant to Wis. Stat. § 227.44 (5).
