### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscqa>.

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Medical Examining Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. On June 20, 2001, the Wisconsin Medical Examining Board granted Naeem Ullah Khan, M.D., Respondent, date of birth January 5, 1964, a license to practice medicine and surgery in the state of Wisconsin pursuant to license number 43431-20. Respondent's Wisconsin license to practice medicine and surgery expired in 2007, and he retains the right to renew until 2012.
2. Respondent's address of record with the Department of Regulation and Licensing is 7415 Woodmont Drive, Amarillo, TX 79119.
3. On June 6, 2003 the Texas Board of Medicine issued Respondent a license to practice medicine and surgery in Texas (License No. L-6235).

4. Respondent's specialty is family practice and he is board certified by the American Board Family Medicine, a member of the American Board of Medical Specialties. In December 2009, Respondent re-certified in this specialty.

5. On February 5, 2010, the Texas Medical Board issued an Order of Public Reprimand barring the Respondent from performing conscious sedation unless and until Respondent, within two years, completed a formal education program in conscious sedation. Respondent was also required to complete 20 hours of CME in Orthopedic Emergencies and Pain Management. The Texas Board reinstated Respondent's full privileges on July 16, 2010.

6. The Texas discipline was based on care Respondent provided that fell below the standard of minimal competence when he used vecuronium, a neuromuscular blocking agent that causes paralysis, as part of conscious sedation to treat a dislocated shoulder. Respondent also failed to respond appropriately to the patient's resulting condition. Respondent's care created an unacceptable risk of harm to the patient, who did not survive the procedure.

7. Respondent does not intend to practice medicine and surgery in Wisconsin, does not intend to return to Wisconsin, and will not renew his license to practice Medicine and Surgery in Wisconsin.

#### CONCLUSIONS OF LAW

1. The Wisconsin Medical Examining Board has jurisdiction over this matter pursuant to Wis. Stat. § 448.02(3) and authority to enter into this stipulated resolution of this matter pursuant to Wis. Stat. § 227.44(5).

2. Respondent, by having been disciplined in another jurisdiction, as set forth above, has committed unprofessional misconduct as defined by Wis. Admin. Code § MED 10.02(2)(q). He is therefore subject to discipline pursuant to Wis. Stat. § 448.02(3).

#### ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED that Naeem Ullah Khan, M.D., Respondent, is hereby REPRIMANDED.

IT IS HEREBY FURTHER ORDERED that:

1. Respondent shall, within 30 days of the date of this Order, pay the costs of this proceeding in the amount of \$250.00.

2. Respondent's payment, and any requests pertaining to this Order shall be mailed, faxed or delivered to:

Telephone: (608) 267-3817

3. Violation of any of the terms of this Order may be construed as conduct imperiling public health, safety and welfare and may result in a summary suspension of Respondent's license. The Board in its discretion may in the alternative impose additional conditions and limitations or other additional discipline for a violation of any of the terms of this Order. In the event Respondent fails to timely submit payment of the costs, the Respondent's license may, in the discretion of the Board or its designee, be SUSPENDED, without further notice or hearing, until Respondent has complied with payment of the costs.

4. This Order is effective on the date of its signing.
