#### ORDER

1. The attached Stipulation is accepted.

2. The medicine and surgery license issued to Respondent Luann Moraski, D.O., (license number 38775-21) is **SUSPENDED** as follows:

## SUSPENSION

- A.1. The license of Luann Moraski, D.O., to practice medicine and surgery in the State of Wisconsin is SUSPENDED for an indefinite period.
- A.2. Respondent shall not engage in the practice of medicine and surgery in any capacity unless her suspension is stayed and she is in full compliance with this Order. Respondent shall mail or physically deliver all indicia of registration to the Department Monitor within 14 days of the effective date of this Order.
- A.3. Upon a showing by Respondent of continuous, successful compliance for a period of at least five (5) years with the terms of this Order, including at least 600 hours of active practice for every year the suspension is stayed, the Board may grant a petition by Respondent under paragraph D.4. for return of full licensure. At the Board's discretion, the 5-year period may be started anew for every substantial or repeated violation of any provision of Sections C or D of this Order.
- A.4. The Board may, on its own motion or at the request of the Department Monitor, grant full licensure at any time.

## STAY OF SUSPENSION

- B.1. The suspension is hereby stayed based upon Respondent having provided proof, which was determined by the Board or its designee to be sufficient, that Respondent has been in compliance with the provisions of Sections C and D of this Order.
- B.2. The Board or its designee may, without hearing, remove the stay upon receipt of information that Respondent is in substantial or repeated violation of any provision of Sections C or D of this Order. Repeated violation is defined as the multiple violation of the same provision or violation of more than one provision. The Board may, in conjunction with any removal of any stay, prohibit Respondent for a specified period of time from seeking a reinstatement of the stay under paragraph B.4.
- B.3. This suspension becomes reinstated immediately upon notice of the removal of the stay being provided to Respondent either by:
  - (a) Mailing to Respondent's last-known address provided to the Department of Safety and Professional Services pursuant to Wis. Stat. § 440.11; or
  - (b) Actual notice to Respondent or Respondent's attorney.
- B.4. The Board or its designee may reinstate the stay, if provided with sufficient information that Respondent is in compliance with the Order and that it is appropriate for the stay to be reinstated. Whether to reinstate the stay shall be wholly in the discretion of the Board or its designee.
- B.5. If Respondent requests a hearing on the removal of the stay, a hearing shall be held using the procedures set forth in Wis. Admin. Code ch. SPS 2. The hearing shall be held in a timely manner with the evidentiary portion of the hearing being completed within 60 days of receipt of Respondent's request, unless waived by Respondent. Requesting a hearing does not stay the suspension during the pendency of the hearing process.
