The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Medical Examining Board (Board). The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Respondent Kent Gregory Brockmann, M.D., (dob July 1, 1957), is licensed in the state of Wisconsin to practice medicine and surgery, having license number 48376-20, first issued on July 12, 2005, with registration current through October 31, 2013. Respondent's most recent address on file with the Wisconsin Department of Safety and Professional Services (Department) is 8673 Eagle Point Boulevard, Lake Elmo, Minnesota 55042. He is also licensed in Minnesota, and is certified in psychiatry by the American Board of Psychiatry and Neurology.

2. At the time of the events set out below, Respondent was engaged in the active practice of psychiatry in Wisconsin and Minnesota.

¹ The Division of Legal Services and Compliance was formerly known as the Division of Enforcement.

3. Beginning in 2006, Respondent provided psychiatric care and treatment to a female patient born in 1974, and who was married and the mother of 4 children. The patient was diagnosed with Graves' Disease, and had a number of mental health conditions. Respondent saw the patient at his offices in Lake Elmo, Minnesota, and Balsam Lake, Wisconsin.

4. On an exact date unknown, but while engaged in providing psychiatric therapy, care, and treatment for the patient at his Balsam Lake office, Respondent is alleged to have invited the patient to sit on his lap. The patient did so, and Respondent engaged in kissing the patient on her face and lips.

5. On an exact date unknown, but in 2010 or 2011, Respondent telephoned the patient, and suggested that they meet at a park in St. Croix County Wisconsin. On that occasion, Respondent is alleged to have engaged in kissing the patient, caressing and kissing her breasts, and basing his finger inside her vagina. Respondent then requested that the patient hold his scrotum in her hand; Respondent then masturbated to ejaculation, while the patient held his scrotum.

6. On another occasion in early July, 2012, the exact date of which is unknown, but is within 2 years of Respondent providing psychiatric care and treatment, Respondent telephoned the patient and invited her to meet him at a park near the patient's home in Chisago County Minnesota. On that occasion, Respondent is alleged to have sat with the patient in her vehicle, and engaged in kissing her, unbuttoning her shirt, and caressing her breasts.

7. Respondent denies any unprofessional conduct, but solely to settle this matter and avoid the expenses and uncertainties of litigation, has agreed to surrender his license to practice medicine and surgery in Wisconsin.

CONCLUSION OF LAW

The Wisconsin Medical Examining Board has jurisdiction to act in this matter pursuant to Wis. Stat. § 448.02(3), and is authorized to enter into the attached Stipulation pursuant to Wis. Stat. § 227.44(5).

3. In the event that Respondent petitions the Wisconsin Medical Examining Board for re-licensure to practice medicine and surgery in the future, the Board may enter an order denying such application without further notice or hearing. Whether to grant a license and whether to impose any limitations or restrictions on any license granted shall be in the discretion of the Board.
