Based upon the attached Stipulation of the parties, the Wisconsin Medical Examining Board hereby makes and enters the following:

FINDING OF FACT

1. That John W. Terry, Respondent herein, is a physician licensed to practice medicine and surgery in the State of Wisconsin; that his license, which bears number 11143, was granted August 15, 1951; that he maintains no current office or clinic, but practices in his home located at 6012 West Darnel Avenue, Brown Deer, Wisconsin 53223.

4. That on July 30, 1984, Respondent applied to the U.S. Social Security Administration claiming a 100% physical disability resulting from "stroke" and "diabetes mellitus". Respondent claims that the condition first began bothering him and made him stop working on February 3, 1984.

It is Dr. Oravetz's professional opinion that as a result of Respondent's cerebrovascular accidents that Respondent is unable to practice as a physician with reasonable skill and safety to patients and that Respondent should not be practicing medicine.

7. That on October 23, 1981 the Wisconsin Medical Examining Board issued a disciplinary complaint against Respondent which contained thirty-nine counts of unprofessional conduct by Respondent.

8. That on March 5, 1982 that complaint was amended to include a total of sixty-three counts alleging unprofessional conduct by respondent.

9. That on October 25, 1984 the Wisconsin Medical Examining Board issued a second disciplinary complaint against Respondent, which Complaint contained one count alleging that Respondent was guilty of unprofessional conduct for treating patients while unable to do so with reasonable skill and safety to patients.

10. That because of Respondent's health he no longer desires to practice medicine and surgery in the State of Wisconsin and voluntarily surrendered his license to practice medicine and surgery, in return for the Wisconsin Medical Examining Board dismissing the two disciplinary complaints currently pending against him.
