STATE OF WISCONSIN  
BEFORE THE MEDICAL EXAMINING BOARD

-----  
IN THE MATTER OF DISCIPLINARY :  
PROCEEDINGS AGAINST :

AMENDED ORDER

DANIEL R. TWARDOWSKI, D.P.M., :  
RESPONDENT :

-----  
On March 8, 1984 the Medical Examining Board issued its Final Decision and Order in the above captioned matter by which the board accepted the voluntary surrender of respondent's license to practice medicine and surgery, and granted respondent a limited license subject to terms and conditions set forth in the board's Order.

By letter dated March 18, 1985, respondent petitioned the board to modify the terms and conditions of his limited license. By the terms of the original Order, respondent was to submit to urine drug screens on a weekly basis. Respondent requests that such requirement be terminated. The Order further requires twice-weekly attendance at Alcoholics Anonymous group meetings, and that such attendance be documented by the secretaries of those groups. Respondent requests that documentation of attendance be dropped as a requirement.

Respondent appeared before the Medical Examining Board in support of his petition on April 18, 1985. On the basis of the petition, respondent's appearance, and documents of record herein, the board amends its Order in this matter to read as follows:
