Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

IN THE MATTER OF
THE APPLICATION FOR A LICENSE OF

ELNORA M. CALIMLIM, M.D.,

Applicant

ORDER GRANTING THE LIMITED LICENSE

On or about November 1, 1990, Dr. Calimlim filed her updated application for a license to practice medicine and surgery in the State of Wisconsin. Because Dr. Calimlim had been previously unsuccessful in her oral examination before the board, she again appeared before the full board for reexamination at its meeting of November 15, 1990, and the board considered her application on that date. Dr. Calimlim and the board thereafter entered into a Stipulation by which the board agreed to grant and Dr. Calimlim agreed to accept a license limited to the practice of radiation oncology.

Based upon the Stipulation, and upon other information of record, the Medical Examining Board (board) hereby grants to Elnora M. Calimlim, M.D. a license to practice medicine and surgery imposing the following terms and conditions.

1. Dr. Calimlim's practice of medicine and surgery shall be limited to the practice of radiation oncology, as defined by the American Board of Radiology; that is, that branch of radiology which deals with the therapeutic application of radiant energy and its modifiers, and the study and management of disease, especially malignant tumors.

2. Violation of the terms and conditions of this order shall constitute grounds for revocation of the limited license.

Dated this 24 day of October, 1990.
