NOW, THEREFORE, IT IS HEREBY ORDERED that the Stipulation of the parties is approved.

IT IS FURTHER ORDERED that the license to practice medicine and surgery in the State of Wisconsin of Hal B. Ridgway, M.D., is hereby SUSPENDED commencing the date of this Order and continuing until May 23, 1994, which is a period of five (5) years from the date Dr. Ridgway reentered inpatient treatment.

IT IS FURTHER ORDERED that within 90 days of the date of this Order that Hal B. Ridgway, M.D., shall pay to the Wisconsin Department of Regulation and Licensing \$750 as costs of this proceeding, pursuant to sec. 440.22, Wis. Stats.

IT IS FURTHER ORDERED that the SUSPENSION shall be STAYED conditioned upon Respondent's compliance with the following conditions during the period of the suspension:

a. The Medical Director of the McBride Center for the Impaired Professional, shall be Dr. Ridgway's supervising physician throughout the full term of these conditions. In the event that the Medical Director is unable or unwilling to serve as supervising physician, the Medical Examining Board shall, in its sole discretion, select a successor supervising physician, giving due consideration to Dr. Ridgway's geographical location.

b. Dr. Ridgway shall continue in and fully participate in all components of the McBride Center for the Impaired Professional in Milwaukee, Wisconsin or such other facilities which are under the direction and control of McBride Center and which are located within the State of Wisconsin, as his supervising physician shall determine to be appropriate for his rehabilitation. All costs of the recovery program shall be the responsibility of Dr. Ridgway or his health insurer.

Such program shall require Dr. Ridgway to ingest antabuse daily, unless it is medically contraindicated. e. Dr. Ridgway shall abstain from any and all personal use of alcohol.

f. Dr. Ridgway shall report all medications and drugs, over-the-counter or prescription (with the exception of aspirin, acetaminophen, and non-alcoholic cough medications), taken by him to his supervising physician within 24 hours of ingestion or administration and shall identify the person or persons who prescribed, dispensed, administered or ordered said medications or drugs for him. The terms of this subparagraph shall not be deemed to modify or negate Dr. Ridgway's obligations as set forth in subparagraph (d) of this Order.

g. Dr. Ridgway shall supply, on at least a bi-weekly basis, random monitored urine or blood specimens within 24 hours of a request for said specimen made by the supervising physician or his designee. The supervising physician or his designee shall determine whether the specimen shall be a urine specimen or a blood specimen or both. Collection of these specimens shall be observed and verified by persons designated by the supervising physician. Collection and all testing of specimens shall be the financial responsibility of Dr. Ridgway or his health insurer.

h. If any urine or blood specimen is positive or suspected positive for any controlled substance or alcohol, the specimen shall be re-examined using gas chromatography spectrometry as a confirmatory test.

i. If any urine or blood specimen is positive or suspected positive for any controlled substance or alcohol, Dr. Ridgway shall promptly submit to additional tests and examinations as the supervising physician or his designee shall determine as appropriate to clarify or confirm the positive or suspected positive urine or blood test results.

j. The supervising physician shall submit formal written reports to the Wisconsin Medical Examining Board every 90 days commencing 90 days after the date of this Order. The report shall assess Dr. Ridgway's progress in his rehabilitation program and set forth the results of the random urine and blood screens. Copies of said releases shall be filed simultaneously with the Wisconsin Medical Examining Board.

l. The supervising employment physician at Dr. Ridgway's practice setting shall submit formal written reports to the Wisconsin Medical Examining Board every 90 days, commencing 90 days after the date of this Order. The reports shall address the appropriateness of Dr. Ridgway's practice of medicine and shall address whether there have been any indications of chemical abuse. Dr. Ridgway shall be responsible for the timely filing of these reports. The supervising employment physician and Dr. Ridgway shall report immediately to the Wisconsin Medical Examining Board any suspected violation of this Order.

m. Dr. Ridgway shall appear before the Wisconsin Medical Examining Board at least annually to review the progress of his treatment and rehabilitation. Dr. Ridgway may petition the Wisconsin Medical Examining Board for modification of the conditions of this Order and the Wisconsin Medical Examining Board shall consider Dr. Ridgway's petition at the time it meets with Dr. Ridgway to review the progress of his rehabilitation. Denial of the petition, in whole or in part, shall not be considered a denial of a license within the meaning of Wis. Stats. sec. 227.01(3)(a) and Dr. Ridgway shall not have a right to any further hearings or proceedings on any denial, in whole or in part, of his petition for modification.

n. Violation of any term or condition of this Order may constitute grounds for revocation of Dr. Ridgway's license to practice medicine and

surgery in the State of Wisconsin. Should the Board determine that there is probable cause to believe that Respondent has substantially violated the terms of this Order, the Board may order that Respondent's license be summarily suspended pending investigation of the alleged violation.
