IN THE MATTER OF  
THE APPLICATION FOR A LICENSE OF

BURTON D. COX, JR., D.O.,

Applicant

---

ORDER GRANTING THE LIMITED LICENSE

---

On August 19, 1991, Dr. Cox filed his application for a license to practice medicine and surgery in the State of Wisconsin. Because Dr. Cox indicated on his application that disciplinary action had been taken against his license in the States of Maine and Kansas resulting from chemical dependency, he was asked to appear for oral examination in connection with his application and to sit for the SPEX examination prior to that appearance. Dr. Cox sat for and successfully completed the SPEX examination, and appeared before the board at its meeting of May 21, 1992. The board considered his application on that date.

The board and Dr. Cox thereafter entered into a Stipulation by which the board agreed to grant, and Dr. Cox agreed to accept, a limited license to practice medicine and surgery in the State of Wisconsin. A copy of the Stipulation is attached hereto and made a part hereof. Based upon the Stipulation, and upon other information of record, the Medical Examining Board (board) orders as follows:

NOW, THEREFORE, IT IS ORDERED that Burton D. Cox, Jr., D.O., is granted a limited license to practice medicine and surgery in the State of Wisconsin imposing the following terms and conditions:

1. Applicant shall complete the chemical dependency treatment program at the McBride Center for Impaired Professionals, Milwaukee, Wisconsin, and shall not disassociate himself from the program until formally discharged by his supervising physician.
2. As a part of his treatment program, applicant shall submit to a program of random witnessed monitoring of his blood or urine for the presence of alcohol and controlled substances on at least a weekly basis.

3. Applicant shall abstain from any and all personal use of alcohol or controlled substances, as defined by Wis. Stats. sec. 161.01(4), unless prescribed for him by his treating physician.

4. Applicant shall be responsible for submission to the board of formal written quarterly reports prepared by his treatment supervisor setting forth applicant's activities and progress in the treatment program, including the results of random drug screens.

5. Applicant shall be responsible for submission to the board of formal written quarterly reports prepared by a physician approved by the board to act as applicant's practice supervisor, setting forth applicant's activities and progress in his practice.

6. Applicant shall provide and keep on file with his supervising physician and all treatment facilities and personnel current releases which comply with all applicable state and federal laws authorizing release of all of his medical and treatment records and reports to the Medical Examining Board and which permit his treating physician and therapists to disclose and discuss the progress of his treatment and rehabilitation with the Medical Examining Board and its agents. Copies of said releases shall be filed simultaneously with the Medical Examining Board.

7. The term of the license shall be for one year from the date of this Order. Applicant shall appear before the board at that time in support of renewal of the license.

8. Violation of the terms and conditions of this Order shall constitute grounds for revocation of the limited license.

Dated this 28 day of May, 1992.
