- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Michael H. Cary ("Cary") is and was at all times relevant to the events set forth herein a dentist licensed to practice in the State of Wisconsin pursuant to license # 2771, granted on June 25, 1981.

2. In the course of his general practice, Cary surgically removed four wisdom teeth from a patient. The procedure involved more than nominal tissue and bone removal. Following the procedure, the patient discovered that both her lingual nerves were severed.

3. The patient commenced a civil action against Cary. A jury returned a special verdict against Cary finding that his negligent care and treatment caused the injuries to the patient.

4. Thereafter, the Department of Regulation and Licensing ("Department") commenced an investigation into the allegations that Cary violated the dentistry license law.

5. The Department has obtained evidence that raises questions about the quality of pre-operative x-rays and the nature of the consent Cary obtained from the patient prior to surgery. Cary has evidence to the contrary, including a finding from the jury that he did not fail to adequately inform the patient of the significant risks of the dental procedures.

6. Cary would contest any charges that might arise out of the Department's investigation, but for the purposes of resolving this matter and to avoid the expense and inconvenience of any proceedings, agrees to obtain the education set forth below in the Order.

7. Respondent represents that he has voluntarily agreed to restrict his removal of teeth to cases of fully erupted teeth where there is nominal tissue or bone removal.

CONCLUSIONS OF LAW

1. The Wisconsin Dentistry Examining Board has jurisdiction to act in this matter pursuant to Secs. 15.08(5) and 447.07(3), Wis. Stats.

2. The Wisconsin Dentistry Examining Board is authorized to enter into the attached Stipulation pursuant to Sec. 227.44(5), Wis. Stats.

3. Respondent Michael H. Cary is subject to discipline pursuant to Sec. 447.07(3), Wis. Stats.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that the attached Stipulation is accepted.

IT IS FURTHER ORDERED, that consistent with the agreement of Respondent Michael H. Cary, Respondent will successfully complete a course of education and training totalling ten (10) hours in the following subject areas: (a) informed consent, (b) the importance of adequate x-rays in the surgical removal of teeth.

The course outline must be pre-approved by the Board no later than four (4) months from the date this Final Decision and Order is entered. No outline will be approved unless Respondent includes the name of the institution offering the instruction, the name of the instructor, and the content of the course he intends to study. Respondent shall submit proof of successful completion of the approved course of study to the Board within six (6) months of the date this Final Decision and Order is entered.

None of the education completed pursuant to this requirement may be used to satisfy any continuing education requirements that are or may be instituted by the Board.

IT IS FURTHER ORDERED, that investigative file 89 DEN 13 be closed.

Dated this 4 day of March, 1992.
