- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." FINAL DECISION AND ORDER  
89 MED 203

The parties to this action for the purposes of Wis. Stats. sec. 227.53 are:

Timoteo L. Galvez, M.D.  
P.O. Box 5367  
Madison, WI 53705

State of Wisconsin  
Medical Examining Board  
P.O. Box 8935  
Madison, WI 53708-8935

Department of Regulation and Licensing  
Division of Enforcement  
P.O. Box 8935  
Madison, WI 53708-8935

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final disposition of this matter, subject to the approval of the Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. That Timoteo L. Galvez, Respondent herein, P.O. Box 5367, Madison, Wisconsin 53705, is duly licensed to practice medicine and surgery in the State of Wisconsin and that his license bears number 20507 and was granted on November 16, 1976.

2. Dr. Galvez has been using an Interro System consisting of a Wiese PC Hard drive 286, a Sony Trinitron Monitor, a Citizen Printer, a Wiese Keyboard, and Interro imprinter device, Model number 2046, manufactured by Consolidated Research and Technology, Inc., d/b/a Esion, Inc., Pleasant Grove, Utah for the diagnosis and treatment of allergies and other medical conditions since about 1985 in his practice of medicine.

3. The manufacturer informed Dr. Galvez at the time of purchase that the FDA had granted an Investigational Device Exemption (IDE) for the Interro System. However, the FDA informed the Division of Enforcement that no exemption for the Interro System has ever been applied for or granted to Consolidated Research and Technology, Inc., or Esion, Inc.

4. Esion, Inc., has been subject to corporate liquidation and the manufacture of the Interro System has been discontinued.

5. The Board believes the Interro System does not provide reproducible output data with sufficient accuracy to establish a reliable basis for diagnosis or treatment of medical conditions in the practice of medicine.

6. Under the circumstances reflected in these Findings, continued use of The Interro System by the Respondent could represent a substantial danger to the health, welfare or safety of the public.

#### CONCLUSIONS OF LAW

1. The Wisconsin Medical Examining Board has jurisdiction over this matter pursuant to sec. 448.02(3), Wis. Stats.

2. The Wisconsin Medical Examining Board is authorized to enter into the attached Stipulation pursuant to sec. 227.44(5), Wis. Stats.

#### ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED that the attached Stipulation is accepted.

IT IS FURTHER ORDERED that Dr. Timoteo L. Galvez, M.D. shall hereby cease and desist in his use of the Interro System for diagnosis and treatment of any medical conditions whatsoever in his practice of medicine.

Dated this 16 day of December, 1992.
