Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

Oregon, WI 53575

Terry S. Kunick, R.Ph.

Department of Regulation and Licensing
Division of Enforcement
P.O. Box 8935
Madison, WI 53708-8935

The parties in this matter agree to the terms and conditions of the attached Stipulation as the final decision of this matter, subject to the approval of the Board. The Board has reviewed this Stipulation and considers it acceptable.

Accordingly, the Board in this matter adopts the attached Stipulation and makes the following:

FINDINGS OF FACT

1. Respondent Terry J. Hustad is and was at all times relevant to the facts set forth herein a Registered Pharmacist licensed in the State of Wisconsin pursuant to license #9506. At all times relevant to the facts set forth herein, respondent Hustad was the managing pharmacist of Walgreens pharmacy, 2829 East Washington Avenue, Madison, Wisconsin

where all of the actions described in these Findings took place, and was the supervisor of respondent Kunick.

2. Respondent Terry S. Kunick is and at was at all times relevant to the facts set forth herein a Registered Pharmacist licensed in the State of Wisconsin pursuant to license #8447. At all times relevant to the facts set forth herein, respondent Kunick was employed at the Walgreens pharmacy at 2829 East Washington Avenue, Madison, Wisconsin, and she dispensed the medication referred to in ¶3, below.

3. Respondent Walgreens is and was at all times relevant to the facts set forth herein a pharmacy licensed in the State of Wisconsin pursuant to license #6735.

4. The Respondents did, on January 4, 1992, permit an unlicensed person to transfer a prescribed medication, Augmentin, to Vint Q., and so transferred the medication without any consultation. When the patient asked questions about the medication, the unlicensed person (a store clerk, not a pharmacy technician) did not summon a pharmacist, but purported to provide the consultation herself.

5. On August 28, 1992, a prescribed medication was transferred to patient Kay G. by an unlicensed person and without any consultation. On the same day, a prescribed medication was transferred to another patient, Mr. A., by the same unlicensed person and without a consultation.

6. On and between January 4 and August 28, 1992, it was the policy of respondent Walgreens and respondent Hustad, as managing pharmacist, to permit pharmacy technicians to transfer refilled or renewed prescription medications to patients, and to require the technician to ask the patient if the patient had any questions. Only if the patient responded affirmatively was the pharmacist summoned.

CONCLUSIONS OF LAW

7. The Wisconsin Pharmacy Examining Board has jurisdiction to act in this matter pursuant to §450.10(1), Wis. Stats.

8. The Board is authorized to enter into the attached Stipulation pursuant to §227.44(5), Wis. Stats.

9. The conduct described in ¶¶4-5, and the policy described in ¶6, above, violated § Phar 7.01(1)(e), Wis. Adm. Code. The board specifically finds that permitting a technician to ask the patient if there are any questions does not constitute a consultation, and that consultation is required whether the prescription is a new or refilled. Such conduct constitutes unprofessional conduct within the meaning of the Code and statutes.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that the attached Stipulation is accepted.

IT IS FURTHER ORDERED, that each respondent is hereby REPRIMANDED for the unprofessional conduct in this matter.

IT IS FURTHER ORDERED, that each respondent shall forfeit \$200, to be paid within 30 days of this order.

IT IS FURTHER ORDERED, that the respondent Walgreens shall pay the costs of the investigation and prosecution of this matter, in the amount of \$225, to be paid within 30 days of this order.

Dated this 10th day of November, 1992.

9. The Division of Enforcement joins Respondents in recommending that the Board adopt this Stipulation and issue the attached Final Decision and Order.

10. Respondents are informed that should the board adopt this stipulation, the board's final decision and order adopting the terms of the stipulation will be published in the Monthly Disciplinary Report issued by the department, and a summary of the order adopting the terms of the stipulation shall be published in the Wisconsin Regulatory Digest issued semiannually by the department, all of which is standard Department policy and in no way specially directed at Respondent.
