ORDER GRANTING LIMITED LICENSE

By its Order Granting Limited License dated July 6, 1992, the Medical Examining Board granted a limited license to practice medicine and surgery to Dr. Holliman. One of the conditions of the license was that Dr. Holliman abstain from any and all personal use of alcohol and controlled substances.

By his letter dated January 5, 1993, David G. Benzer, D.O., notified the board that on December 19, 1992, and again on December 29, 1992, Dr. Holliman had urine screens positive for alcohol and benzodiazepines, respectively.

As required by the board's July 6, 1992, Order, Dr. Holliman appeared before the board on January 21, 1993, for oral interview. At that time, the board and Dr. Holliman discussed modifications to the terms and conditions of the license based upon violation of the board's previous order, and upon recommendations in that regard by Dr. Benzer. The board and Dr. Holliman thereafter entered into a Stipulation, by which the board agreed to issue, and Dr. Holliman agreed to accept a limited license incorporating the suggested modifications. A copy of the Stipulation is attached hereto and made a part hereof.

Based upon the Stipulation, and upon all other information of record herein, IT IS HEREBY ORDERED that Daniel R. Holliman is granted a limited license to practice medicine and surgery in Wisconsin imposing the following terms and conditions:

1. Applicant shall continue in the chemical dependency treatment program at the McBride Center for Impaired Professionals, Milwaukee, Wisconsin, and shall not disassociate himself from the program until formally discharged by his supervising physician. Applicant shall as a part of the program continue primary outpatient treatment at least three times per week, and shall meet with Dr. David G. Benzer or Dr. Benzer's designee at least once every two weeks.

2. As a part of his treatment program, applicant shall submit to a program of random witnessed monitoring of his blood or urine for the presence of alcohol and controlled substances on at least a twice-weekly basis.

3. Applicant shall abstain from any and all personal use of alcohol or controlled substances, as defined by Wis. Stats. sec. 161.01(4), unless prescribed for him by his treating physician.

4. Applicant shall attend A.A. or N.A. meetings or contact his sponsor daily.

5. Applicant shall be responsible for submission to the board of formal written quarterly reports prepared by his treatment supervisor setting forth applicant's activities and progress in the treatment program, including the results of random drug screens.

6. Applicant shall provide and keep on file with his supervising physician and all treatment facilities and personnel current releases which comply with all applicable state and federal laws authorizing release of all of his medical and treatment records and reports to the Medical Examining Board and which permit his treating physician and therapists to disclose and discuss the progress of his treatment and rehabilitation with the Medical Examining Board and its agents. Copies of said releases shall be filed simultaneously with the Medical Examining Board.

7. The term of the license shall be for one year from the date of the order of the board adopting this Stipulation. Applicant shall appear before the board after three months for oral interview.

8. Violation of the terms and conditions of the order of the board adopting this Stipulation shall constitute grounds for revocation of the limited license.
