- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
THE APPLICATION FOR REINSTATEMENT OF

GERALD L. CLINTON, M.D.

Applicant

FILE COPY

ORDER GRANTING PETITION IN PART

By its *Order Granting the Limited License* dated November 25, 1992, the Medical Examining Board reinstated the license of Gerald L. Clinton, M.D., to practice medicine and surgery on a limited basis. By the terms of that Order and succeeding orders, Dr. Clinton has been required to practice only under the supervision of another physician satisfactory to the board, and is prohibited from treating females of any age.

Consistent with the board's *Order Renewing the Limited License* dated November 29, 1993, Dr. Clinton appeared before the board at its meeting of February 23, 1994, in support of renewal of the limited license. At that time he confirmed his petition dated February 9, 1994, by which he requested that the board increase the scope of his license to permit him to treat elderly men and women at Wauwatosa area nursing homes. The board considered the request at that time and, by its Order dated March 1, 1994, permitted Dr. Clinton to treat male patients but not female patients in a nursing home setting.

By letter dated August 10, 1994, Dr. Clinton again requested that he be permitted to do psychiatric consultations, evaluations, psychopharmacological management, brief psychotherapy and supportive therapy with women. He appeared before the board on September 22, 1994, in support of his petition, which was also supported by his practice supervisor, Basil Jackson, M.D., Ph.D.

Based upon Dr. Clinton's petition and all other information of record herein, the Medical Examining Board orders as follows:

NOW, THEREFORE, IT IS ORDERED that the petition of Gerald L. Clinton to permit him to treat female patients on a limited basis is granted. Treatment of females shall be limited exclusively to short term psychiatric consultations, evaluations, and psychopharmacological management.

IT IS FURTHER ORDERED that all other terms and conditions of the board's November 25, 1992, *Order Granting the limited License*, as amended by the board's *Order Granting Petition in Part* dated March 1, 1994, shall remain in full force and effect.

IT IS FURTHER ORDERED that the limited license of Gerald L. Clinton, M.D., is hereby renewed for a period of six months. Dr. Clinton shall appear before the board at its March, 1995, meeting in support of any request to renew the license.

Dated this 4 day of nt, 1994.
