### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscqa>.
- Records not open to public inspection by statute are not contained on this website.

AMENDED ORDER

---

The Medical Examining Board issued its Final Decision and Order in the above-captioned matter on June 4, 1991. By the terms of the board's Order, Dr. Varona's license was suspended for an indefinite period. The suspension was stayed, and Dr. Varona was ordered to participate in one year of a family practice residency program. Thereafter, Dr. Varona was permitted to petition for termination of the suspension, which petition was to be granted upon satisfactory completion of the SPEX examination and an oral examination to be administered by the full board.

Dr. Varona appealed the board's order, and the matter was ultimately resolved through a stipulation, a copy of which is attached hereto and made a part hereof. By the terms of the Stipulation, Dr. Varona is reprimanded, required to complete an evaluation by Thomas Meyer, M.D. of the University of Wisconsin School of Medicine, and to complete whatever further medical education is recommended following that evaluation.

Based upon the Stipulation, the Medical Examining Board orders as follows:

NOW THEREFORE, IT IS ORDERED that the board's previous Order in this matter dated June 4, 1991, is hereby vacated.

IT IS FURTHER ORDERED that Guillermo Varona, Jr., M.D., be, and hereby is, reprimanded.

IT IS FURTHER ORDERED that Guillermo Varona, Jr., M.D., shall complete an evaluation by Dr. Tom Meyer, University of Wisconsin Extension, to determine what further medical education is necessary and that Guillermo Varona complete
