FINAL DECISION

THOMAS J. HEINE, D.C. RESPONDENT

AND ORDER

The parties to this proceeding for the purposes of Wis. Stats. sec. 227.53 are:

Thomas J. Heine, D.C. 555 W29956 Windcrest Drive Waukesha, WI 53188

Chiropractic Examining Board 1400 E. Washington Avenue, Room 178 P.O. Box 8935 Madison, WI 53708

Department of Regulation and Licensing Division of Enforcement 1400 E. Washington Avenue, Room 183 P.O. Box 8935 Madison, WI 53708

A hearing was conducted in the above-captioned matter on August 3, 1988, at 1400 East Washington Avenue, Madison, Wisconsin. Respondent appeared in person and by Attorney Paul R. Erickson. Complainant appeared by Attorney Michael J. Berndt. At the hearing, the parties submitted a Stipulation as to Findings of Fact and Conclusions of Law executed by Dr. Heine, Mr. Erickson and Mr. Berndt. The purpose of the hearing, therefore, was to take evidence relating to the circumstances underlying the stipulated facts and to argue as to discipline, if any, to be imposed. The parties also submitted written arguments in the latter regard, with the last of these being received on September 13, 1988.

Based upon the Stipulation and upon other evidence of record herein, the Chiropractic Examining Board adopts as its final decision in the matter the following Findings of Fact; Conclusions of Law, and Order.

## FINDINGS OF FACT

- 1. That the respondent, Thomas J. Heine, was at all times relevant to this proceeding duly licensed under the provisions of Chapter 446, Stats., to practice as a chiropractor in the State of Wisconsin.
- 2. That the respondent's license is number 1349, issued on May 21, 1976.

EXHIBIT A

- 3. That the respondent's address is S55 W29956 Windcrest Drive, Waukesha, Wisconsin 53188.
- 4. That from January, 1979, until May, 1982, Patient A was a patient of the respondent.
- 5. That when Patient A began seeing the respondent she was fifteen years of age.
- 6. That approximately one year after Patient A started seeing the respondent, the respondent kissed her and hugged her during the course of chiropractic sessions.
- 7. That at some later date, the respondent attempted to fondle Patient A's breasts during the course of a chiropractic session.
- 8. That during the period from March, 1981, until May, 1982, the respondent told Patient A he loved her and told Patient A about the possibility of a divorce from his spouse.
- 9. That consensual sexual contact occurred between Patient A and the respondent during chiropractic sessions on a regular basis from March, 1981, until May, 1982.

## CONCLUSIONS OF LAW

- 1. That by engaging in the activities described above, the respondent has engaged in activities related to the practice of chiropractic which do not comply with accepted standards of practice in the profession contrary to Wis. Adm. Code sec. CHIR 3.04(8) (Register, July, 1979, No. 283).
- 2. That the board has jurisdiction to take disciplinary action against the respondent pursuant to sec. 446.03, Stats.

## ORDER

NOW, THEREFORE, IT IS ORDERED THAT the license of Thomas J. Heine, D.C., to practice as a chiropractor in the State of Wisconsin be, and hereby is, suspended for a period of one year, commencing 10 days from the date of the signing of this Order.

IT IS FURTHER ORDERED that the license of Thomas J. Heine, D.C., be and hereby is, limited in the following manner:

That Thomas J. Heine, D.C., undergo evaluation by a psychologist acceptable to the Board, for the purpose of insuring that rehabilitation is complete; that such evaluation be followed, as determined by the psychologist, by regular psychological therapy, with quarterly reports to the Board until the psychologist deems and reports to the

Board that rehabilitation has occurred, and that this report be followed by an independent evaluation by a second psychologist acceptable to the Board, verifying that indeed rehabilitation has occurred:

That for an indefinite period of time after the Respondent, 2) Thomas J. Heine, D.C., returns to his practice, the Respondent must insure that a second person, either a female employe, an adult female relative of the patient, or the patient's spouse, be present in his presence with any female patient, and that all office staff be informed of this limitation.

FURTHER, IT IS ORDERED that Counts II through VII of the Complaint herein be, and hereby are, dismissed.

## EXPLANATION OF VARIANCE

The Board having adopted the hearing examiner's proposed findings of fact and conclusions of law, declines to adopt the proposed order, but instead adopts an order which reflects the Board's belief that a moderately long suspension of the Respondent's license should consist of one year.

Further, the Board's decision to impose a one year suspension of the Respondent's license and to impose certain limitations, was based upon the seriousness of the facts in this case, the Board's responsibility to protect the public, the need to deter other licensees from similar behavior, the need to insure the Respondent's complete rehabilitation, and the Board's concurrence with the legal arguments of the complainant's attorney regarding discipline.
