Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

JAMES CARROLL, M.D.

Respondent

ORDER MODIFYING THE LIMITED LICENSE

The Medical Examining Board issued its Final Decision and Order in the above-captioned matter on December 14, 1995. By the terms of the board's Order, Dr. Carroll's license to practice medicine and surgery in Wisconsin was suspended for 25 days, and was thereafter limited to require in part that Dr. Carroll prescribe and dispense controlled substances only pursuant to a specified procedure involving oversight by a consulting physician. Dr. Carroll was permitted to petition the board for removal of this limitation upon completion of a course entitled "Appropriate Prescribing of Controlled Substance" conducted by the Center for Substance Abuse Education and Research, Mercer University Southern School of Pharmacy in Atlanta.

By letter dated May 23, 1995, Dr. Carroll petitioned for removal of the limitation on his prescribing and dispensing controlled substances, and he included evidence of completion of the required Mercer University course. The board considered the petition at its meeting of June 28, 1995, and orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED Dr. Carroll's petition for removal of restrictions on his ability to prescribe, dispense, administer or order any controlled substance is granted, and paragraphs 1., 2. and 3., of the order of the board set forth in the board's Final Decision and Order dated December 14, 1994, are therefore struck.

IT IS FURTHER ORDERED that all other terms and conditions of the order of the board set forth in the board's Final Decision and Order dated December 14, 1994, shall remain in full force and effect.

Dated this 6th day of July, 1995.
