- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. - Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

GREGORY B. JACKSON, M.D.

Respondent

ORDER GRANTING FULL LICENSURE

By its Final Decision and Order dated November 20, 1991, the Medical Examining Board adopted the Proposed Decision of its administrative law judge and revoked the limited license previously issued to Dr. Jackson. By his letter dated October 20, 1992, Dr. Jackson requested that the board reinstate his license. The board denied the petition by its order issued November 25, 1992.

On March 21, 1993, Dr. Jackson again petitioned for reinstatement of his license. The petition was supported by John D. Stuhler, M.D., Certified Medical Review Officer with Substance Abuse Management, Inc., Oak Creek, Wisconsin. Dr. Jackson appeared before the board at its meeting of April 28, 1993, in support of his petition. The board considered the matter on that date, and denied the petition by its Order dated May 7, 1993.

Dr. Jackson renewed his petition for reinstatement in his appearance before the board on September 23, 1993. In addition to Dr. Stuhler's support, Dr. Jackson's petition was now also supported by Bill Broten, Chief Executive Officer of Substance Abuse Management Inc., a potential employer, and by Gerald C. Kempthorne, M.D., Chairman of the Physician Health Program at the State Medical Society of Wisconsin. The board considered the petition on that date, and reinstated the limited license for a period of six months by its Order dated October 1, 1993.

Pursuant to the board's Order, Dr. Jackson appeared before the board on March 24, 1994, in support of renewal of the license. The board considered the matter on that date, and renewed the license for a period of six months.

Dr. Jackson next appeared before the board on September 22, 1994, in support of further renewal of the license. The board thereafter decided to reduce the number of required urine screens from two per week to one per week, and did so by its order dated October 4, 1994.

As required, Dr. Jackson next appeared on March 23, 1995. While the board order did not prohibit Dr. Jackson from applying for and holding a DEA registration, the DEA had taken the

position that the board's January 15, 1987 order in this matter, which contained such a prohibition, still controlled in the matter unless specifically rescinded by the board. Accordingly, Dr. Jackson sought the board's assistance in that regard. The board considered the matter on March 23, and ordered that Dr. Jackson be permitted to hold a DEA registration by its order dated March 29, 1995.

Pursuant to the March 29, 1995, order, Dr. Jackson appeared before the board in support of renewal of the license on September 27, 1995, and the board renewed the license on that date.

Dr. Jackson's next appearance before the board came on September 25, 1996. At that time, he requested that the limitations on his license be terminated. The board considered the matter on that date, and orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that based upon his full compliance with the board's Final Decision and Order in this matter, the limitations on the license of Gregory B. Jackson, M.D., to practice medicine and surgery in Wisconsin are hereby terminated, and Dr. Jackson is restored to full unlimited licensure.

Dated this 1st day of October, 1996.
