STATE OF WISCONSIN  
BEFORE THE MEDICAL EXAMINING BOARD

---

IN THE MATTER OF  
DISCIPLINARY PROCEEDINGS AGAINST

PAUL GOCHIS, M.D.,

Respondent

---

ORDER GRANTING THE STAY

---

On February 22, 1996, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice medicine and surgery in Wisconsin suspended for a period of not less than five years with provision for granting successive three-month stays of the suspension upon submission of proof satisfactory to the board that Dr. Gochis has continued his sobriety, that he has continued to successfully participate in a treatment and rehabilitation program satisfactory to the board, and that he is able to safely and reliably practice as a physician and surgeon.

At its meeting of October 24, 1996, the board considered Dr. Gochis' request, through his attorney, Michael Schaalman, that he be granted a stay of the suspension. Also considered was a letter dated August 29, 1996, from Dr. Charles J. Engel, of the Professional Recovery Network, reporting on Dr. Gochis' progress in recovery. The board granted the request and, by its Order dated November 5, 1996, stayed the suspension of the license for a period of three months.

By letter dated January 24, 1997, Dr. Gochis petitioned for an additional three month stay of suspension, and petitioned as well for a reduction in the number of urine screens to one per week and the number of therapy sessions to one every two weeks. That petition was supported by Dr. Engel. The board considered the request at its meeting of February 26, 1997, and granted the petition by its Order dated March 12, 1997.

By letter dated June 4, 1997, Dr. Gochis requested a renewal of the stay of suspension. He also notified the board that he was relocating to accept a residency program in Michigan. He therefore requested that his limited license be modified to permit him to prescribe, dispense and administer controlled substances; to permit a change in his drug monitoring program consistent with the procedures established by the Michigan Medical Board; and to permit him to change his supervising health care provider. The board considered the requests at its meeting of June 25, 1997, and, by Order dated July 7, 1997, denied the request to permit Dr. Gochis to prescribe and dispense controlled substances, but granted the remaining requests.

On August 21, 1997, the board granted Dr. Gochis' request for a further renewal of the stay of suspension of his license.

On November 19, 1997, the board again considered a request by Dr. Gochis for a further renewal of the stay of suspension of his license. The board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the suspension of the license of Paul Gochis, M.D., be, and hereby is, stayed for a period of three months. Dr. Gochis may petition for additional three month stays of the suspension upon submission to the board of evidence of having fully complied with the conditions and limitations set forth in the board's Final Decision and Order dated February 22, 1996, as modified by the board's Orders dated March 12, 1997, and July 7, 1997, during the preceding three month period.

IT IS FURTHER ORDERED that respondent shall appear before the board in June, 1998.

Dated this 29 day of Nov, 1997.
