DA Complaint #96-F-172

STATE OF WISCONSIN, Plaintiff, vs. JOHN J. CZERNIEJEWSKI, dob 12/27/56 6125 W. Morgan Avenue Milwaukee, WI 53220 Defendant(s)	Crime(s) & Statute(s) Violated: Ct. 1: Del. Prescrip. Drug Ct. 2: Obtain a C.S. by Subterfuge Ct. 3: Del. a Schedule III C.S. Sec. 450.11(9)(b), 161.43(1)(a)(2), 161.41(1)(b), 161.50
DESCRIPTION: M/W; Br hair/Hzl eyes; 210#; 6'	VICTIM: Elden Bodendorfer

1996

Complainant, being first duly sworn on oath, on information and belief, says that in July of 1995, within the Town of Waterford, County of Racine, State of Wisconsin, the defendant did:

COUNT 1: Knowingly, unlawfully, and feloniously, deliver a Prescription Drug in Violation of Section 450.11; said offense subjects the defendant to penalties of a fine of not more than \$10,000, imprisonment for not more than five (5) years, or both; contrary to Wis. Stats. Section 450.11(9)(b);

COUNT 2: Knowingly, unlawfully, and feloniously, obtain a Controlled Substance by Subterfuge; said offense subjects the defendant to penalties of a fine not to exceed \$30,000, imprisonment for not more than four (4) years, or both, driving privileges suspended not less than six (6) months nor more than five (5) years; contrary to Wis. Stats. Section 161.43(1)(a) and (2) and 161.50(1);

COUNT 3: Knowingly, unlawfully, and feloniously, deliver a Schedule III Controlled Substance to another; said offense subjects the defendant to penalties of a fine of not more than \$15,000, imprisonment for not more than five (5) years, or both, driving privileges suspended not less than six (6) months nor more than five (5) years;

contrary to Wis. Stats. Section 161.41(1)(b) and 161.50(1); and prays that said defendant be dealt with according to law; the basis for the complainant's charge of such offense is:

Your complainant states that he is employed as a law enforcement officer by the Racine County Sheriff's Department and has read and relies upon reports prepared under Town of Waterford Complaint No. 825565 prepared by Sgt. Spletter of the Town of Waterford Police Department and under Complaint No. 825714 prepared by Inv. Lucci of the Racine County Sheriff's Department whose reports your complainant relies upon inasmuch as they are prepared pursuant to an official law enforcement investigation;

Your complainant states that Elden Bodendorfer had been hospitalized at St. Francis Hospital from June 25, 1995 to July 14, 1995 and while hospitalized at St. Francis Hospital became acquainted with John J. Czerniejewski, the defendant, as John Czerniejewski was a Respiratory Therapist employed by the hospital.

Joy M. Stuedemann states that she is Elden Bodendorfer's daughter and that on July 10, 1995, the defendant told Joy Stuedemann and Clara Bodendorfer, Elden Bodendorfer's wife, that he wanted to come out to the Bodendorfer residence and check it out so he could see if (NEXT PAGE)

they were eligible for Hospice Service. At that time, the defendant stated that he had a friend who worked at Hospice who would work with him to help

Bodendorfers get Hospice Service but he needed to come out to make sure that they qualified first.

Joy Stuedemann states that on Sunday, July 10, 1995, the defendant came out to the residence at approximately 3:30 p.m. Joy Stuedemann states that when the defendant arrived at the residence, he stated that he wanted to check out Mr. Bodendorfer's medications particularly emphasis on the pain medication and also had to check the circuit breakers within the residence. Joy Stuedemann states that at that point the defendant was shown the pain medications that had been prescribed for Elden Bodendorfer as Elden Bodendorfer had terminal cancer and was shown the location of those drugs, that being in the kitchen above the sink in a cabinet.

On July 16, 1995, the defendant again came out to the residence and brought with him two (2) inhalers, one for Ventolin and one for Atrovent. Defendant handed the inhalers to Elden Bodendorfer and stated, "Don't tell anyone I'm giving you these." The defendant then had Clara Bodendorfer at the table in the living room checking all the medications. When Clara went into the kitchen to retrieve the medication, the defendant went along with her so he would know where she kept the medications. Clara Bodendorfer states he went through all the medications and also had a book of all medications from St. Francis Hospital with him.

The defendant brought with him a bottle of Ibuprofen and indicated that they should give Mr. Bodendorfer the Ibuprofen in between his regular pain pill, Roxicet, and also told Clara Bodendorfer and Joy Stuedemann not to give Mr. Bodendorfer all the Roxicet because they did not know where his pain tolerance was. Clara Bodendorfer then indicated that she would give Mr. Bodendorfer the pain medication as it was prescribed by the doctor.

Joy Stuedemann states that in all the conversations with the defendant, the defendant kept telling them not to tell anyone that he was there and not to tell anyone about the medications.

On July 18, 1995, the defendant returned to the Bodendorfer's home at 7104 N. Tichigan Road, in the Town of Waterford, County of Racine, State of Wisconsin. At that time as in previous times in the past, the defendant brought with him a maroon duffel bag. Joy Stuedemann states that the defendant was inside and outside of the house several times and made numerous trips to the bathroom. That at several times, he was alone in the kitchen in the area where the pain medications were located.

On July 19, 1995, at approximately 8:00 p.m., Joy Stuedemann was sitting in the living room talking to her father when Clara Bodendorfer called her out, asking her about Mr. Bodendorfer's pain pills, the Roxicet. Clara Bodendorfer states that she had given Elden Bodendorfer his pain pills earlier in the day and that Elden Bodendorfer had pointed out to her that the two pills were different. Clara Bodendorfer states that when she dumped the pills out, that there were two different (NEXT PAGE)

types of pills in the Roxicet bottle. Joy Stuedemann states that she then looked at both the pills and called Walgreen's and was able to identify one as the Roxicet and the other as Tylenol 3. After numerous phone calls she was able to determine that 53 of the Roxicet were missing from the Roxicet bottle. Joy Stuedemann also states that her father, Elden Bodendorfer, was not supposed to be given Tylenol 3 as one of the active ingredients in that medication was codeine and Elden Bodendorfer had become allergic to the codeine. Clara Bodendorfer states that with the exception of the defendant, only she and her daughter knew the location where the medications were kept in the house.

Complainant states that the Roxicet taken from Elden Bodendorfer's home was a Schedule II Controlled Substance. Tylenol 3 provided to Elden Bodendorfer to replace the Roxicet was a Schedule III Controlled Substance.

Your complainant states that Inv. Lucci of the Racine County Sheriff's Department then had contact with John Monsen, director of the Respiratory Therapy Department at St. Francis Hospital and spoke to him regarding the defendant's actions. John Monsen states that there would be no circumstances in which a Respiratory Therapist from St. Francis Hospital would ever have to have contact with the patient outside of the hospital. John Monsen was advised that the defendant did go to the home of a patient that was released from St. Francis Hospital to determine if they qualify for Hospice Services and Monsen then indicated that that would not be a duty of the defendant, that once a patient leaves the hospital, the Respiratory Therapy Department has no responsibility towards the patient. John Monsen also identified the two inhalers that had been given to Elden Bodendorfer as being the type that must be prescribed by a physician and was asked whether a Respiratory Therapist would be able to dispense those types of medications and he indicated no. John Monsen also indicated that the defendant had worked for a Home Health Care Company in the past while he was employed by St. Francis Hospital but that the defendant no longer worked for that Home Health Care Company.

Your complainant relies upon the statements of Joy Stuedemann and Clara Bodendorfer inasmuch as they are citizens, eyewitnesses and their statements are based upon their personal knowledge and observations. Your complainant relies upon the statements of John Monsen inasmuch as he is a citizen, eyewitness and his statements are based upon his personal knowledge and observations.

Complainant's reading of an official City of Milwaukee Police Department report prepared by fellow City of Milwaukee Police Officer Kenneth Kmichik, whose reports complainant has relied on in the past and found to be truthful and reliable and has been used in the regular course of business and the City of Milwaukee Police Department. Said reports reflect that on June 4, 1993, Police Officer Kenneth Kmichik was dispatched to a forgery complaint for a prescription at Walgreens Drug Store - 3333 S. 27th Street, City of Milwaukee, Milwaukee County, Wisconsin. Officer Kmichik spoke with the pharmacist, Cheryl A. Further, reports also indicate that Officer Kmichik spoke with Carol Czerniejewski, the sister of John Czerniejewski, who was contacted to pick up the prescription at Walgreens that he dropped off the previous day.

Complainant further states that he spoke with John Czerniejewski and defendant stated that he did drop off a prescription for Vicodan at Walgreens 6/3/93 but he works with Dr. Neni at the hospital and doctor he on numerous occasions filled out part of the prescription and let him fill out the rest. Defendant stated that there may be a problem with the prescription but he was told that it could not be filled until the next day and he already contacted Dr. Neni about it and that the officer was free to contact Neni and check that the doctor has prescribed Vicodan in the past.

Further, reports indicate that Dr. Krishna Neni was contacted by Officer Kmichik and stated that he had prescribed Vicodan for Czerniejewski in the past and the last time he could remember prescribing it was about two or two and a half weeks ago. Officer Kmichik informed Dr. Neni that the date on the prescription was 5/26/93 and Dr. Neni stated he would have viewed the prescription. Dr. Neni later, on June 5, 1993, reviewed the prescription and stated he did not fill anything out on the prescription and that the signature is not his.

Further, reports also indicate that Officer Kmichik contacted Carolyn Peterson, and a photo array was shown and she identified the defendant John Czerniejewski as the person who handed her the forged prescription.

CASE NUMBER: 2-101052

THE ABOVE NAMED COMPLAINING WITNESS BEING DULY SWORN SAYS THAT THE ABOVE NAMED DEFENDANT(S) IN THE COUNTY OF MILWAUKEE, STATE OF WISCONSIN,

on March 21, 1991, at 3777 South 18 Street, Milwaukee, Wisconsin, did intentionally take and carry away movable property of Anthony Hubert without the consent of said person and with intent to deprive the owner permanently of possession of such property, contrary to Wisconsin Statute section 943.20(1)(a) and 943.20(3)(a).

Upon conviction of this charge, a Class A misdemeanor, the maximum possible penalty is a fine of not more than \$10,000 or imprisonment for not more than 9 months or both.

Complainant states that he is a City of Milwaukee police officer. He has this complaint upon information and belief.

Complainant states that he has reviewed a report prepared by Detective Thomas Casper of the City of Milwaukee Police Department. Complainant believes this report to be truthful and reliable as it was prepared in the ordinary course of the City of Milwaukee Police Department's business. Detective Casper reports that he spoke to Rose Hubert. Ms. Hubert stated that she is married to Anthony Hubert. She further states that she is responsible for providing her husband, Anthony Hubert, with morphine because he is a terminally ill cancer patient. She further indicated that she obtains prescriptions for this morphine from her husband's doctor and has them filled at the Langer Pharmacy in the City of Milwaukee. She further stated to Detective Casper that she and her husband, Anthony,

PAGE 2 RE: JOHN J. CZERNIEJEWSKI

reside at the above address in the City and County of Milwaukee, State of Wisconsin.

She further stated to Detective Casper that she knows the above named defendant. She stated that the above named defendant is a respiratory therapist who monitors her husband's oxygen supply on a scheduled basis.

Ms. Hubert further reports that on March 18, 1991, she obtained a prescription from her husband's doctor, Dr. Hanson, for morphine, an opiate which is a Schedule II controlled substance. Ms. Hubert states that she had the prescription filled at the Langer pharmacy which is located in the City of Milwaukee. She was provided a prescription for 100 tablets of morphine with the directions that the morphine be taken four times per day. She further states that on March 21, 1991, at 9:30 a.m., she provided her husband with a morphine tablet. She stated at that time she observed that the morphine vial was filled and she removed one of the morphine tablets from the top of the vial. Later that evening, Ms. Hubert stated that she provided her husband with a morphine tablet and noted that the vial was almost empty. She poured out the remaining tablets and recovered the eight tablets that were remaining. She indicated that based upon the prescription recommended by the doctor, there should have been 81 tablets left in the vial.

Ms. Hubert further stated that she spoke to her husband, Tony, who denied taking any drugs other than that which she (Rose) had provided to him. She further stated that the only person in her house on that day was the defendant. She states that at approximately 1:00 p.m. on the above date, the defendant came to her house unexpectedly with bags of medical supplies. She further states that the defendant placed a bag on the kitchen counter next to the place where Ms. Hubert keeps her morphine tablets. The defendant stated to Ms. Hubert at that time that the family doctor, Dr. Gary Kuhl, contacted the defendant and indicated that the defendant should go to the Hubert household and walk with Anthony so that he could measure Anthony's oxygen count. She further states that at one point in time she observed the defendant enter the kitchen area and that the defendant was alone in the kitchen area for a short period of time. She further indicated to Detective Casper that the defendant provided her with no receipt for the visit. She indicated that if the defendant's visit was scheduled by the defendant's employer, a receipt would be provided.

Ms. Hubert further told Detective Casper that on March 22, 1991, she contacted Dr. Kuhl. Dr. Kuhl stated to her that he never had any contact with the defendant and told the defendant to get Tony up and have him walk. Dr. Kuhl further told Ms. Hubert that he did not know the therapist, that he had never talked to the therapist, and never recommended that this be done.

PAGE 3 RE: JOHN J. CZERNIEJEWSKI
DOB 12/27/56

Ms. Hubert further indicates that no one other than she, her husband, or the defendant were present in the premises on March 21, 1991. She further reports that it was only after the defendant's visit that she noticed the pills missing. She further states that neither she nor anybody else gave permission to the defendant to take and carry away these pills.

--	---

THE ABOVE NAMED COMPLAINING WITNESS BEING DULY SWORN SAYS THAT THE ABOVE NAMED DEFENDANT(S) IN THE COUNTY OF MILWAUKEE, STATE OF WISCONSIN

On December 4, 1990 at 2400 S. 90th Street, in the City of West Allis, County of Milwaukee, State of Wisconsin, did obtain a prescription drug, to wit: Tussionex, by fraud, contrary to Wisconsin Statutes section 450.11(7) (a).

Upon conviction of this offense, the maximum possible penalty is a fine of not more than \$500 or imprisonment for not more than 6 months, or both.

Complainant states that he is a detective for the City of West Allis Police Department and that he makes this complaint upon the following:

Upon a statement of Richard Kozlosky, an adult citizen, Kozlosky stated that he is a pharmacist employed by Richard's Pharmacy which is located at 2400 S. 90th Street, in the City of West Allis, Wisconsin. Kozlosky stated that on Tuesday, December 4, 1990, he received a call requesting a refill for a prescription for a patient named Sneto Radsenovich. Kozlosky stated that Radsenovich was a long time customer at his pharmacy and that the prescription requested was for Tussionex Pennkinetic Extended Release Suspension, which is Schedule II Narcotic medication containing Hydrocodone controlled by section 161.16(2) (a) (7) of the Wisconsin Statutes. Kozlosky stated that said statutes require a prescription prior to dispensing said medication. Kozlosky stated that a short time later a man, whom he has subsequently identified as the defendant, came into the pharmacy and picked up this prescription. Kozlosky stated that he later spoke to members of the Radsenovich family who told him that they had not authorized the defendant to obtain this medication.

Complainant further bases this complaint upon a statement of Donna Radsenovich. Radsenovich stated that she is Sneto Radsenovich's daughter and that she knows the defendant to be a respiratory therapist who delivers oxygen to her father's home and who had expressed interest and curiosity in her father's medication during several visits to the home. Donna Radsenovich further stated that on several occasions the defendant had gone so far as to write down the names of the medication taken by her father. Donna Radsenovich stated that her father never received the medications

If 2 or more petitioners for review of the same decision are filed in different counties, the circuit judge for the county in which a petition for review of the decision was first filed shall determine the venue for judicial review of the decision, and shall order transfer or consolidation where appropriate. (b) The petition shall state the nature of the petitioner's interest, the facts showing that the petitioner is a person aggrieved by the decision, and the grounds specified in s. 227.57 upon which the petitioner contends that the decision should be reversed or modified. (d) The agency (except in the case of the tax appeals commission and the banking review board, the consumer credit review board, the savings bank review board and the banking review board) shall participate in the proceedings for review. The court may permit other interested persons to participate in the proceedings for review.
