- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. STATE OF WISCONSIN BEFORE THE BOARD OF NURSING

IN THE MATTER OF THE
INVESTIGATION OF

MARGARET E. HOLVERSON, R.N.

Case No 94 NUR 250

Licensee

STIPULATION

Margaret E. Holverson, R.N. (Ms. Holverson), and the Board of Nursing (Board), having reached agreement on disposition of the informal complaint identified as 94 NUR 250, agree and stipulate as follows

1. This Stipulation shall be made a part of a Memorandum and Order on Settlement Conference to be issued by the Board, and all terms of the Stipulation shall be binding on Ms. Holverson as a part of the Board's order

2. This Stipulation and the Board's order shall be placed in Ms. Holverson's permanent file, and may be used if there are further complaints against her

3. Ms. Holverson is licensed to practice as a professional nurse in Wisconsin by license \$34670, issued on December 5, 1958, and she resides at W8452 Kent Road, Poynette, WI 53955

4. At the time of the incident described herein, Ms. Holverson was employed as the night charge nurse at Columbia County Home (now Columbia Health Care Center) in Wyocena, Wisconsin

5. On October 21, 1994, Columbia County Home resident DEB activated her call light at approximately 11 00 p.m. Staff responded to the call light and discovered that DEB was having a seizure. Ms. Holverson was called to the room, where she noted the seizure activity and blood around DEB's mouth.

6. Ms. Holverson made two attempts to assess the source of the bleeding in DEB's mouth; first with her gloved hand and a washcloth, and second with a toothbrush wrapped in a washcloth. She then left the room to obtain a blood pressure and stethoscope, leaving the two CNA's in the room with the patient. She failed to provide the CNA's with instructions, did not turn the patient on her side, and did not administer oxygen.

7. Upon her return, Ms. Holverson took the patient's vital signs and left again to obtain DEB's medical record. She again left the CNA's alone in the room with DEB, and returned to the nursing station.

8 At the nursing station, Ms. Holverson informed Assistant Director of Nursing Mary Lou Roy that DEB had been having seizures for 35 minutes. Ms. Roy then went immediately to DEB's room, and Ms. Holverson called the patient's physician for instructions.
