- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. STATE OF WISCONSIN  
BEFORE THE BOARD OF NURSING

-----

IN THE MATTER OF DISCIPLINARY  
PROCEEDINGS AGAINST

MARY ALBERTZ, RN/LPN

ORDER DENYING PETITION

RESPONDENT.

-----

A Final Decision and Order was entered in the above-captioned matter on November 3, 1995. By the terms of the board's order, Ms. Albertz' license was suspended for an indefinite period, and Ms. Albertz was permitted to petition for a stay of the suspension of her license upon submission of a satisfactory evaluation certifying that Ms. Albertz is fit to safely and competently return to the practice of nursing.

By letter dated February 23, 1996, Ms. Albertz submitted her petition to the board for a stay of the suspension of her license. The petition was accompanied by an evaluation performed by Clyde R. Olson, M.D., which fulfilled the requirements of the board's November 3, 1995, order. In her letter, Ms. Albertz asked that her current participation in the BSN at U.W. Eau Claire be substituted for the continuing education program set forth at paragraph (3)(e) of the board's order, and that she not be required to provide a copy of the board's order to current and prospective nursing employers or to arrange for work reports to be provided by such employers. The board considered the matter at its meeting of March 8, 1996, and filed its order granting the petition on March 15, 1996.

Because the board's November 3, 1995, Final Decision and Order assessed the costs of the disciplinary proceeding against Ms. Albertz, the stay of the suspension was never actuated. Subsequently, Ms. Albertz contacted Michelle Neverman, the board liaison and requested a stay of the suspension. The board considered the request at its meeting of September 11, 1997, and ordered that the suspension of the license of Mary Albertz be stayed for a period of three months, effective on the date upon which she paid to the department of Regulation and Licensing the assessed costs of the disciplinary proceeding conducted in this matter, and conditioned upon her compliance with the following terms of the November 3, 1996 Order, as amended.

On May 8, 1998, the board considered Ms. Albertz' request that upon receiving her BSN degree, she be returned to full licensure, based upon her having then demonstrated her stable recovery. The board denied the petition, but ordered that upon her graduation from the BSN program in which she is currently participating, the board would further consider Ms. Albertz' further petition for a full, unlimited license.

On May 14, 1999, the board again considered Ms. Albertz' request that she be granted an unlimited license upon her graduation from the RN program on May 22, 1999. Based upon the entire record in this matter, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that Ms. Albertz' request that she be returned to full, unlimited licensure effective on the date of her graduation from the BSN program in which she is currently participating, is denied.

IT IS FURTHER ORDERED that the stay of the suspension is hereby extended for a further period of three months.

IT IS FURTHER ORDERED that upon becoming employed, Ms. Albertz shall arrange for submission to the board of quarterly reports from her nursing employer(s) reporting the terms and conditions of her employment, and evaluating her work performance.

IT IS FURTHER ORDERED that the board shall, upon receipt of satisfactory quarterly reports for a period of one year, grant Ms. Albertz' further request for a full, unrestricted license.

Dated this 26<sup>th</sup> day of May, 1998.
