### **Please read this agreement prior to viewing the Decision:**

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

IN THE MATTER OF  
DISCIPLINARY PROCEEDINGS AGAINST

ANTHONY P. DALTON, M.D.

Respondent

---

ORDER GRANTING STAY

---

On December 14, 1995, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice medicine and surgery in Wisconsin was suspended for a period of not less than four years, with provision for successive three-month stays of the suspension conditioned upon compliance with certain conditions and limitations on the license. Among these were that respondent participate in a recognized program for the treatment of chemical dependency, that he participate in individual and/or group therapy a minimum of once each month, that he submit to random urine screens for the presence of alcohol and controlled substances, and that he provide for quarterly written reports from his supervising physician or therapist and the monitoring program. The effective date of the board's Order was December 14, 1995.

On January 24, 1996, the board found probable cause to believe that on December 30, 1995, respondent was arrested in La Crosse, Wisconsin for operating a motor vehicle while intoxicated, and that he had thereby violated the terms of the Final Decision and Order of the December 14, 1995, Order. It was therefore ordered that the stay of suspension of the license be terminated, and his license was suspended, effective January 30, 1996.

By letter dated February 8, 1996, respondent petitioned the board for reinstatement of the stay of suspension of his license. Respondent appeared before the board in support of the petition on February 22, 1996, and the board denied the petition by its Order dated March 1, 1996.

By letter dated January 9, 1997, respondent again requested reinstatement of the stay of suspension of his license, and he appeared before the board at its meeting of January 23, 1997, in support of his request. The board considered the matter on that date, and denied the request by its Order dated February 3, 1997.

By letter dated March 3, 1997, Dr. Dalton once more petitioned for stay of the suspension of his license, and he once more appeared before the board in support of the petition at the board's meeting of April 23, 1997. The board considered the petition on that date and denied the petition by its Order dated May 5, 1997.

Dr. Dalton next appeared before the board seeking reinstatement of his license on July 24, 1997; this time represented by Attorney Jeff Scott Olson. Also appearing in support of Dr. Dalton was Dean E. Whiteway, M.D., Dr. Dalton's therapist. The board considered the petition for reinstatement of the stay on that date, and denied the stay by its Order dated July 31, 1997.

Dr. Dalton appeared before the board on December 18, 1997, to once again request a stay of the suspension of his license. Also appearing on Dr. Dalton's behalf was Attorney Robert Krambs. The board considered the matter on that date, and granted the request.

On April 22, 1998, the board considered Dr. Dalton's request for a three month extension of the stay. Based upon that request, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the petition of Anthony P. Dalton, M.D., for a stay of the suspension of his license be, and hereby is, granted. The term of the stay is for a period of three months; and the stay shall be renewed for successive periods of three months upon successful demonstration of full compliance with all terms and conditions of the board's Final Decision and Order dated December 14, 1995, during the preceding three month period.

Dated this 6<sup>th</sup> day of May, 1998.
