- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

DAVID L. GRODEN, M.D.,

Respondent

ORDER GRANTING STAY

On July 24, 1996, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's Order, respondent's license to practice medicine and surgery in Wisconsin was suspended until he was released from prison and for an additional period of five years thereafter. The Order provided that upon his release from prison, he was permitted to apply for consecutive three month stays of the suspension, which would be granted conditioned upon his complying with specified limitations on the license during the prior three month period. Limitations included successful participation in a drug and alcohol treatment program, including individual and/or group therapy, and participation in a program of random, witnessed drug screens for alcohol and controlled substances on a twice-weekly basis.

By letter dated September 4, 1997, respondent, by Attorney Randall J. Standfort, petitioned the board for modification of paragraph "a." of the board's Order, relating to the stay of suspension of respondent's license. The petition requests that the term of the suspension be modified to seven years and that the effective date of the stay be changed from the date of his release from prison to October 1, 1997. The proposed modification would add the condition that, notwithstanding the effective date of the stay, respondent would be prohibited from the practice of medicine and surgery until he has been referred to a community corrections center or similar facility. The purpose of the requested modifications is to avoid a decision by the U.S. Department of Health & Human Services to exclude respondent from participation in any federal health care program. The board considered the petition at its meeting of September 19, 1997, and granted it by its order dated September 19, 1997.

On March 26, 1998, the board considered Dr. Groden's request for an additional three-month stay of the suspension of his license, and granted the stay by its Order dated April 8, 1998.

On July 23, 1998, the board considered Dr. Groden's request for a further three month stay. The board considered the matter on that date.

Based upon Dr. Groden's request and upon other information of record herein, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the suspension of the license of David L. Groden, M.D. to practice medicine and surgery in Wisconsin be, and hereby is, stayed for an additional period of three months.

Dated this 3rd day of August, 1998.
