## Wisconsin Department of Regulation & Licensing Access to the Public Records of the Reports of Decisions

This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscqa>.
- Records not open to public inspection by statute are not contained on this website.

## NOTICE OF RIGHTS OF APPEAL

TO: EARL J ROTH MD

You have been issued an Order. For purposes of service the date of mailing of this Order is 9/25/98. Your rights to request a rehearing and/or judicial review are summarized below and set forth fully in the statutes reprinted on the reverse side.

### A. REHEARING.

Any person aggrieved by this order may file a written petition for rehearing within 20 days after service of this order, as provided in section 227.49 of the Wisconsin Statutes. The 20 day period commences on the day of personal service or the date of mailing of this decision. The date of mailing of this Order is shown above.

A petition for rehearing should name as respondent and be filed with the party identified below.

A petition for rehearing shall specify in detail the grounds for relief sought and supporting authorities. Rehearing will be granted only on the basis of some material error of law, material error of fact, or new evidence sufficiently strong to reverse or modify the Order which could not have been previously discovered by due diligence. The agency may order a rehearing or enter an order disposing of the petition without a hearing. If the agency does not enter an order disposing of the petition within 30 days of the filing of the petition, the petition shall be deemed to have been denied at the end of the 30 day period.

A petition for rehearing is not a prerequisite for judicial review.

### B. JUDICIAL REVIEW.

Any person aggrieved by this decision may petition for judicial review as specified in section 227.53, Wisconsin Statutes (copy on reverse side). The petition for judicial review must be filed in circuit court where the petitioner resides, except if the petitioner is a non-resident of the state, the proceedings shall be in the circuit court for Dane County. The petition should name as the respondent the Department, Board, Examining Board, or Affiliated Credentialing Board which issued the Order. A copy of the petition for judicial review must also be served upon the respondent at the address listed below.

A petition for judicial review must be served personally or by certified mail on the respondent and filed with the court within 30 days after service of the Order if there is no petition for rehearing, or within 30 days after service of the order finally disposing of a petition for rehearing, or within 30 days after the final disposition by operation of law of any petition for rehearing. Courts have held that the right to judicial review of administrative agency decisions is dependent upon strict compliance with the requirements of sec. 227.53 (1) (a), Stats. This statute requires, among other things, that a petition for review be served upon the agency and be filed with the clerk of the circuit court within the applicable thirty day period.

The 30 day period for serving and filing a petition for judicial review commences on the day after personal service or mailing of the Order by the agency, or, if a petition for rehearing has been timely filed, the day after personal service or mailing of a final decision or disposition by the agency of the petition for rehearing, or the day after the final disposition by operation of the law of a petition for rehearing. The date of mailing of this Order is shown above.

The petition shall state the nature of the petitioner's interest, the facts showing that the petitioner is a person aggrieved by the decision, and the grounds specified in section 227.57, Wisconsin Statutes, upon which the petitioner contends that the decision should be reversed or modified. The petition shall be entitled in the name of the person serving it as Petitioner and the Respondent as described below.
