This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscqa>.
- Records not open to public inspection by statute are not contained on this website.

The Wisconsin Medical Examining Board received a Stipulation submitted by the parties to the above-captioned matter. The Stipulation, a copy of which is attached hereto, was executed by Laurie A. Logan, M.D., personally, and by her attorney, Thomas S. Sleik, and by Gilbert C. Lubcke, attorney for the Department of Regulation and Licensing, Division of Enforcement. Based upon the Stipulation of the parties, the Wisconsin Medical Examining Board makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. Laurie A. Logan, M.D., 310 West Main Street, Sparta, Wisconsin, 54656-2142, was born on 3/13/64, and has been licensed and currently registered to practice medicine and surgery in the state of Wisconsin since 4/28/93, licensee #34243.
2. Dr. Logan specializes in family practice.

3. The patient, C.A., was admitted to the hospital at 1:00 a.m. on 9/13/96. She was carrying a term pregnancy and had a ruptured membrane at the time of admission. Dr. Logan examined the patient and noted a few late decelerations. These late decelerations subsequently resolved for a period of time. Dr. Logan ordered continuous fetal monitoring. Over the next several hours, the fetal heart monitor demonstrated a nonreassuring fetal heart tone pattern. Dr. Logan demonstrated a delayed response to this heart tone pattern and did not order a cesarean section delivery at that time. At 7:55 p.m. on 9/13/96, Dr. Logan noted deep decelerations and ordered preparation for a cesarean section. The cesarean section was begun with the induction of anesthesia at 8:30 p.m. At approximately 8:50 p.m., the child was delivered stillborn and efforts at resuscitation were unsuccessful.

CONCLUSIONS OF LAW

1. The Wisconsin Medical Examining Board has jurisdiction in this proceeding pursuant to sec. 448.02, Stats.
2. The Wisconsin Medical Examining Board has the authority to resolve this proceeding by Stipulation without an evidentiary hearing pursuant to sec. 227.44(5), Stats.
3. Dr. Logan's conduct as set forth in paragraph 3 of the Findings of Fact was contrary to sec. 448.02(3), Stats., and Wis. Admin. Code sec. MED 10.02(2)(h).

ORDER

NOW, THEREFORE, IT IS ORDERED that the Stipulation of the parties is approved.

IT IS FURTHER ORDERED that Laurie A. Logan's license to practice medicine and surgery in the state of Wisconsin shall be and hereby is limited in that she will not practice obstetrics, including the interpretation of fetal monitor strips, and will not make recommendations for treatment or further diagnostic evaluation based on the results of fetal monitor strips.

IT IS FURTHER ORDERED that pursuant to sec. 448.02(4), Stats., if the Wisconsin Medical Examining Board determines that there is probable cause to believe that Dr. Logan has violated the terms of this Final Decision And Order of the Wisconsin Medical Examining Board, the Board may order that the license of Dr. Logan to practice medicine and surgery in the state of Wisconsin be summarily suspended pending investigation of the alleged violation.

The rights of a party aggrieved by this Final Decision And Order to petition the Wisconsin Medical Examining Board for rehearing and to petition for judicial review are set forth in the attached "Notice of Appeal Information".

Dated at Madison, Wisconsin, this 21st day of October, 1998.

NOTICE OF RIGHTS OF APPEAL

TO: THOMAS S SLEIK ATTY

You have been issued an Order. For purposes of service the date of mailing of this Order is 10/22/98. Your rights to request a rehearing and/or judicial review are summarized below and set forth fully in the statutes reprinted on the reverse side.

A. REHEARING.

Any person aggrieved by this order may file a written petition for rehearing within 20 days after service of this order, as provided in section 227.49 of the Wisconsin Statutes. The 20 day period commences on the day of personal service or the date of mailing of this decision. The date of mailing of this Order is shown above.

A petition for rehearing should name as respondent and be filed with the party identified below

A petition for rehearing shall specify in detail the grounds for relief sought and supporting authorities. Rehearing will be granted only on the basis of some material error of law, material error of fact, or new evidence sufficiently strong to reverse or modify the Order which could not have been previously discovered by due diligence. The agency may order a rehearing or enter an order disposing of the petition without a hearing. If the agency does not enter an order disposing of the petition within 30 days of the filing of the petition, the petition shall be deemed to have been denied at the end of the 30 day period.

A petition for rehearing is not a prerequisite for judicial review.

B. JUDICIAL REVIEW.

Any person aggrieved by this decision may petition for judicial review as specified in section 227.53, Wisconsin Statutes (copy on reverse side). The petition for judicial review must be filed in circuit court where the petitioner resides, except if the petitioner is a non-resident of the state, the proceedings shall be in the circuit court for Dane County. The petition should name as the respondent the Department, Board, Examining Board, or Affiliated Credentialing Board which issued the Order. A copy of the petition for judicial review must also be served upon the respondent at the address listed below.

A petition for judicial review must be served personally or by certified mail on the respondent and filed with the court within 30 days after service of the Order if there is no petition for rehearing, or within 30 days after service of the order finally disposing of a petition for rehearing, or within 30 days after the final disposition by operation of law of any petition for rehearing. Courts have held that the right to judicial review of administrative agency decisions is dependent upon strict compliance with the requirements of sec. 227.53 (1) (a), Stats. This statute requires, among other things, that a petition for review be served upon the agency and be filed with the clerk of the circuit court within the applicable thirty day period.

The 30 day period for serving and filing a petition for judicial review commences on the day after personal service or mailing of the Order by the agency, or, if a petition for rehearing has been timely filed, the day after personal service or mailing of a final decision or disposition by the agency of the petition for rehearing, or the day after the final disposition by operation of the law of a petition for rehearing. The date of mailing of this Order is shown above.

The petition shall state the nature of the petitioner's interest, the facts showing that the petitioner is a person aggrieved by the decision, and the grounds specified in section 227.57, Wisconsin Statutes, upon which the petitioner contends that the decision should be reversed or modified. The petition shall be entitled in the name of the person serving it as Petitioner and the Respondent as described below.
