- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

STATE OF WISCONSIN
BEFORE THE BOARD OF NURSING

IN THE MATTER OF

DISCIPLINARY PROCEEDINGS AGAINST

DEBRA J. BUCHHOLZ, RN,

Respondent

ORDER

On March 4, 1994, the Board of Nursing issued its Final Decision and Order in the above-captioned matter. By the terms of the board's Order, respondent's license to practice as a registered nurse in Wisconsin was suspended for an indefinite period, with provision for permitting Ms. Buchholz to petition for consecutive stays of the suspension upon presentation of evidence that she is able to safely resume the practice of nursing.

Ms. Buchholz appeared before the board at its meeting of April 14, 1999, for the purpose of determining her eligibility to resume the practice of nursing. Ms. Buchholz and the board agreed that it will be necessary for her to complete a nursing refresher course prior to resuming practice, however Ms. Buchholz indicated that she feels she is not yet ready to undertake a refresher course at this time. Accordingly, it is ordered as follows:

NOW, THEREFORE, IT IS ORDERED that at such time as Ms. Buchholz considers herself prepared to undertake the completion of a refresher course for registered nurses, she may petition the board for a limited license which will permit her to enroll and complete the refresher course. Upon completion of the refresher course, Ms. Buchholz may petition the board for a change in the terms and conditions of the limited license so as to permit her to become employed as a registered nurse.

Dated this 26th day of May, 1999.
