- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name* as it appears on the order.
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: http://ccap.courts.state.wi.us/InternetCourtAccess and http://www.courts.state.wi.us/wscca .

_____

IN THE MATTER OF

DISCIPLINARY PROCEEDINGS AGAINST

MICHELLE A. QUANDT, RN,

                                  Respondent

_____

ORDER RESTORING FULL LICENSURE

_____

On July 11, 1997, the Board of Nursing issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice as a professional nurse in Wisconsin was limited to require that she arrange for quarterly work reports from her employer, and that she complete within six months eight hours of continuing education in stress management.

On January 29, 1999, the board considered Ms. Quandt's request that the limitations on her license be terminated. Based upon that request, and upon evidence of Ms. Quandt's full compliance with the terms and conditions on her license, the board orders as follows:

<u>ORDER</u>

NOW, THEREFORE, IT IS ORDERED that all limitations on the license of Michelle A. Quandt, RN, to practice as a professional nurse in Wisconsin are lifted, and Ms. Quandt is hereby restored to full licensure.

Dated this 7th day of February, 1999.
