This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

STATE OF WISCONSIN
BEFORE THE BOARD OF NURSING

IN THE MATTER OF

DISCIPLINARY PROCEEDINGS AGAINST

LISA M. LANGE, LPN,

Respondent

ORDER

On May 5, 1995, the Board of Nursing issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice as a licensed practical nurse in Wisconsin was suspended for an indefinite period until further notice of the board.

By letter received by the board on April 1, 1999, Ms. Lange requested information on what would be required to have her license reinstated. By letter dated May 24, 1999, the department monitor requested additional information and reports relating to any treatment Ms. Lange has undergone since the suspension of her license. In response, Ms. Lange submitted a letter from a person attesting to Ms. Lange's attendance at AA, and a June 10, 1999 letter from Ms. Lange's physician, William N. Watson, M.D., recounting Ms. Lange's treatment between March, 1997 and December, 1998, for Recurrent Major Depressive Disorder. Dr. Watson indicates in his letter that he is not aware of Ms. Lange's current status, but that the prognosis for Ms. Lange's condition with adequate treatment is generally good. The board denied reinstatement, and ordered that upon submission by Ms. Lange of a current assessment by a therapist satisfactory to the board establishing that Ms. Lange is competent to safely resume the practice of nursing, and recommending conditions, if any, which should be imposed upon her practice, the board would further consider Ms. Lange's petition for reinstatement of her license.

On September 17, 1999, the board again considered Ms. Lange's petition for reinstatement. In response to the board's requirement for a current assessment, Ms. Lange submitted a letter to Ms. Lange from George O.J. Scharrer, CADC III. While that letter refers to an AODO assessment performed on August 9, 1999, it is not itself an AODO assessment, and fails to provide sufficient information to allow the board to make an informed decision whether to grant reinstatement and, if so, what limitations, if any, should be placed on her license.

Based upon the foregoing, it is ordered as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that upon submission by Ms. Lange of a current assessment by Mr. Scharrer or another therapist satisfactory to the board, establishing that Ms. Lange is competent to safely resume the practice of nursing, and recommending conditions, if any, which should be imposed upon her practice, the board will further consider Ms. Lange's petition for reinstatement of her license.

Dated this 23rd day of September, 1999.
