Wisconsin Department of Regulation & Licensing Access to the Public Records of the Reports of Decisions

This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

By viewing this document, you have read the above and agree to the use of the Reports of Decisions subject to the above terms, and that you understand the limitations of this on-line database.

STATE OF WISCONSIN
BEFORE THE BOARD OF NURSING

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST
CONSTANCE J. CARROLL, RN,
Respondent

ORDER IMPOSING SUSPENSION

On July 20, 1999, the Board of Nursing issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice as a registered nurse in Wisconsin was suspended for at least two years, with provision for successive three-month stays of the suspension conditioned upon compliance with certain conditions and limitations on the license. Among these were that respondent participate in a recognized program for the treatment of chemical dependency, that she participate in psychotherapy a minimum of once each week, and that she participate in program of random witnessed monitoring for controlled substances and alcohol in her blood or urine on a frequency of not less than once per month.

By letter dated October 16, 1999, respondent requested that the suspension of her license be stayed for an additional period of three months; and requested as well that breathalyzer tests be substituted for urine, blood, or hair specimens; and that the random screening requirements be modified to permit her to receive random screens exclusively at her place of employment when she is out of jail on Huber privileges. By its Order dated January 13, 2000, the board granted Ms. Carroll's requests.

On May 19, 2000, the board considered Ms. Carroll's requests that the stay be renewed and that the number of required screens be reduced to one every two weeks. The board renewed the stay, but denied the reduction in the number of required urine screens.

On July 7, 2000, the board considered evidence that on May 18, 2000, Ms. Carroll relapsed to the use of alcohol, and entered inpatient treatment. Based upon that evidence, and upon all other information of record herein, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the stay of the suspension of Ms. Carroll's license is hereby terminated, and Ms. Carroll's license is suspended.

Dated this 19th day of July, 2000.
