- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscqa>.

STATE OF WISCONSIN  
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF  
DISCIPLINARY PROCEEDINGS AGAINST  
JANE COLLIS GEER, M.D.,

Respondent

---

ORDER REMANDING TO ENFORCEMENT

---

On April 20, 1999, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice medicine and surgery in Wisconsin was limited to require that within 12 months following the Order, Dr. Collis-Geers' complete 30 hours of Category I continuing education in medical ethics.

On May 17, 2000, the board considered Dr Collis-Geers' failure to complete the continuing medical education as required. On that date, the board received a letter from Dr. Collis-Geers, dated May 16, 2000, which states in its entirety, "I would like to file for an extension on receiving all of my CME courses on ethics due to I have not been able to find many courses at this time." Appended to the letter was documentation of her having completed just three credits of the required 30.

Based upon Dr. Collis-Geers' failure to complete required continuing medical education by the established deadline, and based upon her failure even to seek an extension until almost one month after that deadline, the board finds probable cause to believe that Dr. Collis-Geers is in violation of the board's Final Decision and Order, and IT IS THEREFORE ORDERED that this matter be remanded to the Division of Enforcement for further appropriate action.

Dated this 17th day of May, 2000.
