- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

STATE OF WISCONSIN  
BEFORE THE BOARD OF NURSING

---

IN THE MATTER OF  
  
THE LICENSE OF

JANICE C. SAYSETTE, R.N.

Applicant

ORDER APPROVING

WORK SETTING

---

On December 1, 2000, applicant filed her application for a license to practice as a professional nurse in Wisconsin by endorsement. On her application, applicant notified the board that she had been disciplined in the Colorado State Board of Nursing, and she submitted the Colorado board's Stipulation and Final Agency Order in the matter dated February 10, 1999.

The Board considered the matter at its meeting of February 2, 2001, at which time applicant appeared in support of her application. The Board and Ms. Saysette thereafter entered into a Stipulation, by which the board agreed to issue, and applicant agreed to accept, a limited license to practice as a registered nurse in the State of Wisconsin. Based upon that Stipulation, the Board granted Ms. Saysette a limited license by its Order dated February 16, 2001. Under the terms of the Order, the period of limitation must be served only while Respondent is employed at least an average of 32 hours, and no more than 80 hours, every two weeks, not less than 16 hours per week, and not done in more than 12 hour shifts, in any capacity for which a professional nursing license is required by statute, and subject to adequate supervision approved by the Board. Respondent may not have more than one employer; may not work for a temporary pool agency; and may not work in home health care. Supervision at the place of employment must be provided by a licensed nurse who has an unrestricted license in all states of licensure. Upon obtaining nursing employment, respondent was required to provide a written plan of nursing supervision for the Board's review and approval.

On May 3, 2001, the board considered a plan of nursing supervision at Sheboygan Memorial Medical Center submitted by Ms. Saysette. Based upon that submittal, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that respondent's plan of supervision at Sheboygan Memorial Medical Center is hereby approved.

Dated this 15<sup>th</sup> day of May, 2001.
