BEFORE THE BOARD OF NURSING

IN THE MATTER OF

DISCIPLINARY PROCEEDINGS AGAINST

TAMMY L. JOVAAG, RN,

ORDER GRANTING STAY

Respondent

On March 3, 2000, the Board of Nursing issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice as a registered nurse in Wisconsin was suspended for an indefinite period. Respondent was permitted to petition for a three month stay of the suspension at any time, and for successive three-month stays of the suspension thereafter, conditioned upon compliance with certain conditions and limitations on the license. Among these were that respondent participate in a recognized program for the treatment of chemical dependency, that she participate in psychotherapy a minimum of once each week, and that he participate in program of random witnessed monitoring for controlled substances and alcohol in his blood or urine on a frequency of not less than once each week.

On September 1, 2000, the board considered Ms. Jovaag's petition for a stay of the suspension of her license. The board granted the request by its Order dated September 8, 2000.

On January 5, 2001, the board considered Ms. Jovaag's letter of November 30, 2000, by which she requests a further extension of the stay of suspension of her license, and her further request that the board discontinue the requirement for weekly therapy sessions. While Ms. Jovaag indicates in her letter that the latter request is recommended by her therapist, the therapist's report in fact recommends continuing the current limitations for a further period of three months. Accordingly, it is ordered as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the request for a further three month stay of the suspension of the license of Tammy L. Jovaag is granted.

IT IS FURTHER ORDERED that Ms. Jovaag's request for termination of the therapy requirement is denied.

Dated this 12th day of January, 2001.
