STATE OF WISCONSIN
BEFORE THE BOARD OF NURSING

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

LISA M. LANGE, RN,

ORDER GRANTING STAY

Respondent

On May 3, 2001, the Board of Nursing issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice as a registered nurse in Wisconsin was limited to require in part that within six months of the date of the Order, Ms. Lange complete an approved course of training in medication administration and documentation. The Order also limited Ms. Lange's license to require that she refrain from access to or administration of controlled substances in her employment setting.

On August 2, 2001, the board considered evidence that Ms. Lange has in fact had access to and has administered controlled substances in the course of her employment, in violation of the board's Order. Accordingly, the board imposed the suspension.

On November 1, 2001, the board considered Ms. Lange's request for reinstatement of her limited license. Based upon all information of record herein, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that Ms. Lange's request that her limited license be reinstated is granted. Pursuant to the board's May 3, 2001, Final decision and Order, Ms. Lange shall refrain from access to controlled substances in her employment setting, and shall for a minimum period of two years from the date hereof be responsible for submission of written quarterly work reports prepared by her nursing employer setting forth her activities and progress in her employment.

Dated this 8th day of November, 2001.
