By the terms of the board's order, respondent's license to practice medicine and surgery in Wisconsin was suspended for a period of not less than five years, with provision for consecutive three month stays of the suspension contingent upon compliance with a number of conditions and limitations on the license. Among other conditions, Dr. Park was required to enroll and successfully participate in a drug and alcohol treatment program satisfactory to the board, including participation in individual or group therapy on at least a weekly basis; to participate in AA or NA meetings at least once per week; to submit to drug and alcohol screens on a twice-weekly basis; to be responsible for submission of quarterly practice and therapy reports.

Dr. Park appeared before the board on October 17, 2001, in support of his request for a three month stay of the suspension of his license, and for approval of his professional mentor and his supervising health care provider.
