## Wisconsin Department of Regulation & Licensing Access to the Public Records of the Reports of Decisions

This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

### Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscqa>.
- Records not open to public inspection by statute are not contained on this website.

The Hearing and Speech Examining Board considered this matter at its February 5, 2001, meeting.

**FINDINGS OF FACT**

1. On December 7, 1998, the Hearing and Speech Examining Board approved a Final Decision and Order pursuant to a Stipulation signed by the parties, dated November 20, 1998. The Final Decision and Order was served on respondent on December 10, 1998. The Board ordered that respondent be reprimanded; that his license to practice as a hearing instrument specialist be suspended for a period of 5 days and that his license be limited. Page 11, paragraph (2) (a), of the Order states that the respondent will take and pass the clinical audiometric portion of the Hearing and Speech Board's examination for licensure conducted on 3/1/99 by achieving a passing score of 70% or greater. Paragraph (2) (b) of the Order reads as follows:  

B. If Jeffrey B. Williams fails to achieve a passing score on this examination as reported to the Hearing and Speech Examining Board on 3/1/99, or fails to take the examination on this date, the Hearing and Speech Examining Board may enter an order suspending his license without further notice or hearing. The license will remain suspended until Mr. Williams takes and passes the clinical Audiometric portion of the Hearing and Speech Examining Board's examination for licensure. Mr. Williams will be permitted to take the clinical audiometric portion of the examination only on the dates on which the examination is regularly scheduled.
2. On March 15, 1999, the Board received information from Michelle Neverman, the Board Monitor, stating that on March 1, 1999 respondent took and failed the Audiometric portion of the Board's examination for licensure.
3. On May 3, 1999, the Board suspended respondent's license based upon his failure to pass the clinical audiometric portion of the Board's examination for licensure.
4. On September 13, 1999, respondent took and passed the clinical audiometric portion of the Board's examination for licensure.
5. On or about January 16, 2001, respondent sent a letter to the Board Monitor in which he stated that he has satisfactorily completed the one-year monitoring of his practice by Gregory Wiersema and requested that his license be restored to full licensure.

**CONCLUSION OF LAW**

Respondent has satisfied all of the conditions set forth in the Hearing and Speech Examining Board's Final Decision and Order, dated December 7, 1998.

**ORDER**

**NOW, THEREFORE, IT IS ORDERED** that the suspension and the limitations placed upon the license of Jeffrey B. Williams to practice as a hearing instrument specialist, license #877, are removed and that respondent's license is restored to full licensure.

This order is effective on the date on which a designee of the Hearing and Speech Examining Board signs it.

Dated this 5<sup>th</sup> day of February, 2001.
