- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

STATE OF WISCONSIN
BEFORE THE BOARD OF NURSING

IN THE MATTER OF
THE LICENSE OF

KURT H. LILJEQUIST, R.N.

Applicant

ORDER REINSTATING FULL LICENSURE

On May 26, 1999, applicant filed his application for a license to practice as a professional nurse in Wisconsin by endorsement from Minnesota. Subsequent to his application, applicant notified the board that he had been disciplined by the State of Minnesota Board of Nursing, and he submitted a copy of the Minnesota disciplinary Order. The board considered the matter at its meeting of September 17, 1999, at which time applicant appeared in support of his application. The board and applicant thereafter entered into a Stipulation by which the board agreed to issue and applicant agreed to accept a limited license to practice as a registered nurse in the State of Wisconsin.

By the terms of the board's Order Adopting the Stipulation, dated October 20, 1999, Mr. Liljequist was required to comply with all terms and conditions of the Stipulation and Consent Order issued by the Minnesota Board of Nursing dated June 3, 1999, and captioned "in the Matter of Kurt H. Liljequist, R.N." He was also responsible for submission to the Wisconsin Board of Nursing copies of the quarterly reports required under the Minnesota Order.

By the terms of the board's Order, upon removal of all limitations on applicant's Minnesota license by the Minnesota Board of nursing, applicant was permitted to apply to the Wisconsin board for a full unlimited license.

On December 5, 2002, the board considered Mr. Liljequist's request for termination of the limitations on his license. Based upon that request, and upon evidence that Mr. Liljequist's full license has been restored in Minnesota, it is ordered as follows:

ORDER

NOW THEREFORE, IT IS ORDERED that all limitations on the license of Kurt . Liljequist, RN, to practice as a professional nurse in Wisconsin are terminated, and Mr. Liljequist is hereby reinstated to full licensure.

Dated this 10th day of December, 2002.
