- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.

STATE OF WISCONSIN  
BEFORE THE MEDICAL EXAMINING BOARD

-----

IN THE MATTER OF  
THE LICENSE OF:

LOUIS S. SENO, JR., M.D.

ORDER CONFIRMING

FULL LICENSURE

Respondent

89 MED 295

92 MED 325

-----

On February 22, 1996, the board entered its Final Decision and Order in the Matter of Disciplinary Proceedings Against Louis S. Seno Jr., M.D. By the terms of the board's Order, Dr. Seno's license was limited to require in part that he complete a medical record-keeping course, that he recertify with the American Board of Family Practice within one year of the Order, and that he surrender his DEA registration for Schedules I and II Controlled Substances.

As of January 22, 1998, all limitations on Dr. Seno's license had been satisfied except the condition that he refrain from applying for or holding a DEA registration for Schedule I and II Controlled Substances, and Dr. Seno appeared before the board on that date and requested that the board remove the limitation on his license relating to Schedule I and II Controlled substances. the board issued its "Order Restoring Full Licensure" on February 10, 1998, but reached a Stipulation with Dr. Seno by which he voluntarily agreed not to prescribe or dispense Schedule II Controlled Substances except in limited circumstances.

The board's Order specifically stated that the Order was not to be deemed a disciplinary order, but there appears to be some confusion in that regard. Accordingly, Dr. Seno appeared before the board on June 19, 2002, and requested that he be relieved from the voluntary agreement to abstain from prescribing and dispensing Schedule II Controlled Substances..

Based upon Dr. Seno's request, and upon other information of record herein, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that Dr. Seno's request that he be relieved from his voluntary agreement to abstain from prescribing and dispensing Schedule II Controlled Substances is granted, and there are therefore no limitations of any kind on Dr. Seno's license to practice medicine and surgery in the State of Wisconsin.

Dated this 25<sup>th</sup> day of June, 2002.
