## **Wisconsin Department of Regulation & Licensing Access to the Public Records of the Reports of Decisions**

This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

### **Please read this agreement prior to viewing the Decision:**

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

**By viewing this document, you have read the above and agree to the use of the Reports of Decisions subject to the above terms, and that you understand the limitations of this on-line database.**

## BEFORE THE PSYCHOLOGY EXAMINING BOARD

---

IN THE MATTER OF :  
THE APPLICATION FOR LICENSURE OF : **ORDER GRANTING**  
: **UNLIMITED LICENSE**  
**JEREMY D. MEYERS, Ed.D.,** :  
APPLICANT. :

---

Jeremy D. Meyers, Ed.D.  
9523 N. Sequoia Dr.  
Bayside, WI 53217

On April 17, 2002, the Wisconsin Psychology Examining Board issued a limited license to practice psychology in the State of Wisconsin to Jeremy D. Meyers, requiring him to practice under supervision until his supervisor was able to certify that Dr. Meyers had obtained sufficient supervised experience to practice independently in one or more areas. Dr. Meyers has been receiving supervision from Dr. John Ivanoff.

In a letter dated January 23, 2003, Dr. Ivanoff stated his opinion that Mr. Meyers is capable of practicing independently as an assessment psychologist. Therefore,

**IT IS ORDERED that the limitations placed on the license to practice psychology issued to Jeremy D. Meyers are hereby removed and Dr. Meyers will be issued an unlimited license.**

Dr. Meyers's independent practice will be restricted, as is that of all licensed psychologists, to the "Nature of Intended Practice of Psychology" form that he has already filed with the board. Dr. Meyers's form states that his specialty area is "Industrial/Organizational Psychology"; the general services he is qualified to provide are "Evaluation" and "Consultation"; the specialized service he is qualified to provide is "Competency Evaluation", and the population he is qualified to serve is "Adults (18 and over)". To practice independently in any other area, Dr. Meyers must obtain additional supervised experience and file a revised "Nature of Intended Practice of Psychology" form for the board's review and approval.

Dated March 13<sup>th</sup>, 2003.
