- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." STATE OF WISCONSIN
BEFORE THE BOARD OF NURSING

IN THE MATTER OF	:	
DISCIPLINARY PROCEEDINGS AGAINST	:	
	:	ORDER GRANTING PETITION
TIFFANY RAE KLAVER, L.P.N.,	:	
RESPONDENT.	:	

The Board of Nursing entered its Final decision and Order in the above-captioned matter on November 1, 2001. By the terms of the board's Order, Ms. Klaver's license was limited for a period of two years. Ms. Klaver was required to continue successful participation in all components of a mental health treatment program at a treatment facility acceptable to the Board as Respondent's Supervising Health Care Provider shall determine to be appropriate for respondent's rehabilitation.

The rehabilitation program was ordered to include individual and/or group therapy sessions for the first year of the monitoring period upon a schedule as recommended by the supervising physician or therapist, but not less than once each two weeks. After the first year of stayed suspension, this requirement for therapy sessions could be modified only upon written petition, and a written recommendation by the supervising physician or therapist expressly supporting the modifications sought.

The Supervising Health Care Provider was required to submit formal quarterly written reports to the board, assessing Respondent's progress in treatment, and Ms. Klaver was to arrange for her nursing employer to provide formal quarterly written reports to the Department Monitor assessing her work performance.

On February 7, 2003, the board granted Ms. Klaver's request that the requirement for therapy be reduced to an as-needed basis.

On November 7, 2003, the board considered Ms. Klaver's request for termination of all limitations on her license. Based upon all information of record herein, it is ordered as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that all limitations on Ms. Klaver's are terminated, and Ms. Klaver is hereby reinstated to full licensure.

Dated this 11th day of November, 2003.
