Wisconsin Department of Regulation & Licensing Access to the Public Records of the Reports of Decisions

This Reports of Decisions document was retrieved from the Wisconsin Department of Regulation & Licensing website. These records are open to public view under Wisconsin's Open Records law, sections 19.31-19.39 Wisconsin Statutes.

Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

By viewing this document, you have read the above and agree to the use of the Reports of Decisions subject to the above terms, and that you understand the limitations of this on-line database.

IN THE MATTER OF :
DISCIPLINARY PROCEEDINGS AGAINST :
 : CORRECTED ORDER GRANTING STAY
ELLEN N. LALUZERNE, R.N., : LS0201045NUR
RESPONDENT. :
 :

Respondent is permitted to thereafter apply for consecutive three month extensions of the stay of suspension, which shall be granted upon acceptable demonstration of compliance with the conditions and limitations imposed on the respondent for rehabilitation and practice during the prior three (3) month period. Upon a showing by respondent of continuous, successful compliance for a period of at least five years of active practice with the terms of this order and compliance with all other terms of this Order, the Board may grant a petition by the Ms. Laluzerne for return of full licensure

Within thirty (30) days from the date of the board's Order the Respondent was required to begin participation in a drug and alcohol monitoring program approved by the department pursuant to Wis. Adm. Code § RL 7.11. The Approved Program must require the testing of urine specimens at a frequency of not less than 52 times each year.

Finally, Ms. Laluzerne was required to arrange for her employer to provide formal written reports to the board on a

quarterly basis, assessing Ms. Laluzerne's work performance.

Also on January 10, 2003, the board considered Ms. Laluzerne's petition for a three month stay of the suspension of her license. The board considered as well that there was no evidence that Ms. Laluzerne had complied with the board's Order for the previous three months. Accordingly, the board denied the stay.

On February 7, 2003, the board considered evidence that Ms. Laluzerne is now in compliance with the terms of her limited license. Accordingly, the board granted the stay. When the board's Order was drafted, however, the Order erroneously referred to Lyn Laluzerne rather than Ellen Laluzerne. This corrected Order remedies that error.

ORDER

NOW, THEREFORE, IT IS ORDERED that the request for a stay of the suspension of the license of Ellen N. Laluzerne, RN, to practice as a professional nurse in the State of Wisconsin is granted, and the suspension is hereby stayed for a period of three months.

Dated this 24th day of February, 2003.
