- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. STATE OF WISCONSIN
BEFORE THE BOARD OF NURSING

IN THE MATTER OF
THE APPLICATION OF

RANDALL N. PROCKNOW, RN,

Respondent

ORDER GRANTING RENEWAL

On September 12, 1997, the Board of Nursing issued its Final Decision and Order revoking Mr. Procknow's license to practice as a professional nurse in Wisconsin. By letter dated November 20, 2001, Mr. Procknow applied to the board for reinstatement of his license.

The board and Mr. Procknow thereafter entered into a Stipulation, by which the board agreed to issue, and Mr. Procknow agreed to accept, a limited license to practice as a registered nurse in Wisconsin. The term of the license was to be for three months, with provision for three month renewals of the license based upon compliance with conditions and limitations on the license. Under the terms of the board's Order, which was entered on April 12, 2002, Mr. Procknow is required to participate in a drug and alcohol treatment program, participate in therapy at least once per month, attend AA or NA at least weekly, submit to random urine screens 52 times per year, be responsible for submission of quarterly written reports prepared by his employer and his therapist, practice only under the supervision of another R.N., and refrain from access to controlled substances in his work setting.

In August and November, 2002, and in February, 2003, the board granted Mr. Procknow's requests for three month extensions of his license.

On May 9, 2003, the board considered Mr. Procknow's request for a further renewal of his license, and his further requests for a reduction in the number of required therapy sessions to one per quarter, and a reduction in the number of required urine screens. These latter requests were not supported by Mr. Procknow's therapist. Accordingly, it is ordered as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the limited license of Randall N. Procknow, RN, is hereby renewed for a period of three months.

IT IS FURTHER ORDERED that the requested reduction in the number of required therapy sessions and urine screens is denied.

Dated this 16th day of May, 2003
