Please read this agreement prior to viewing the Decision:

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

STATE OF WISCONSIN
BEFORE THE PODIATRISTS AFFILIATED CREDENTIALING BOARD

IN THE MATTER OF :
DISCIPLINARY PROCEEDINGS AGAINST :
 :
 :
 DAVID JOHN LABADIE, D.P.M., :
 RESPONDENT. :

ORDER DENYING PETITION

By its Final Decision and Order dated August 6, 2001, the Podiatrists Affiliated Credentialing Board limited Dr. Labadie’s license to require that he comply in all respects with the integrity requirements contained in the settlement agreement entered into by Dr. Labadie and the United States of America dated December 27, 1999. Further, Dr. Labadie is required to cause copies of all reports and audits required by the settlement agreement to be simultaneously filed with the Department Monitor. The Order provided that after five years of continuous active professional practice under the terms of the Order and upon evidence of continuous compliance with the terms and conditions of the settlement agreement, Dr. Labadie may petition the Board for a termination of all limitations on his license and restoration of an unlimited license.

On September 14, 2004, the Board considered Dr. Labadie’s request that all limitations on his license be terminated, in order that his license no longer carry the notation that it is limited. The Board again notes that Dr. Labadie has completed only the first of the three annual audits required by the federal settlement agreement, and notes as well that the Board’s Order does nothing more than require that he comply with the federal order. Accordingly, the “limited” notation on his license imposes no requirement that does not otherwise exist. Therefore it is ordered as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the petition of Dr. Labadie that the board terminate all limitations on his license be, and hereby is, **DENIED**.

Dated this 14th day of September, 2004.
