### **Please read this agreement prior to viewing the Decision:**

- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Department of Regulation and Licensing data base. Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." The status of an appeal may be found on court access websites at: <http://ccap.courts.state.wi.us/InternetCourtAccess> and <http://www.courts.state.wi.us/wscca>.
- Records not open to public inspection by statute are not contained on this website.

On February 11, 2004, the State of Wisconsin Pharmacy Examining Board reviewed the documentation submitted in support of the petition by Janet M. Krueger, for a three-month extension of the stay of suspension, as provided within the board's *Final Decision and Order* (“*Order*”) dated December 11, 2001. The department monitor also provided evidence that the collection site for the collection of Ms. Krueger’s urine samples as required by the *Order*, reported on January 28, 2004, that Ms. Krueger’s urine sample collected that date contained powder on the top of the sample, that Ms. Krueger had been spending what was considered a longer time in the bathroom, and that her urine has been different colors over the past few collections.

Based upon the board’s review of the documentation submitted,

IT IS HEREBY ORDERED: that Janet M. Krueger, R.Ph., is GRANTED a three month stay of the suspension of license #11073 to practice pharmacy in the State of Wisconsin.
