IN THE MATTER OF  
THE LICENSE OF

RAYMOND S. KOZIOL, M.D.,  
Petitioner.

ORDER GRANTING THREE MONTH  
STAY WITH MODIFICATION  
LS9804224MED

---

Raymond S. Koziol, M.D.  
633 W. Wisconsin Avenue, #1810  
Milwaukee, WI 53203

On November 17, 2004, the Medical Examining Board considered the petitioner's request for a three month stay of the suspension of his limited license, pursuant to the original Board order dated April 22, 1998, currently in effect. In the alternative, the petitioner requested a complete release from the terms and conditions of the order, indicating that his therapist, Dr. Charles J. Engel, supported termination of the monitoring requirements. The Board received further information that the petitioner had an adulterated drug screen this quarter, which was not reported in a timely manner. Based upon all of the information of record, the Board finds and enters the following:

ORDER

NOW, THEREFORE, IT IS ORDERED that the request for a three month stay of the suspension of the license of Raymond S. Koziol, M.D. (lic.#16638) is hereby GRANTED.

IT IS FURTHER ORDERED that the removal of the limitations on petitioner's license is hereby DENIED because the petitioner has not completed five (5) years of continuous active professional practice under the original Board order. The five year period was restarted as of December 2002 when the petitioner was suspended for violation of the order.

IT IS FURTHER ORDERED that the petitioner shall be required to enroll in the Board approved drug screening program offered through FirstLab, Inc., because he has failed to failed to satisfy the terms and conditions of the Board's order. The petitioner may continue testing with his current provider, PRN, until his enrollment with FirstLab, Inc., is completed.

This Order is effective upon the date of signing and is continuous from the expiration of the previous stay.
